The University

Lambuth University is an independent undergraduate, church-related institution supported by the Memphis Annual Conference of the United Methodist Church. Since 1843, with its beginning as Memphis Conference Female Institute, Lambuth has provided students an opportunity to use their intelligence in the service of God and humanity.

Lambuth University is located in Jackson, Tennessee, populated by about 80,000 in the metropolitan area, in the heart of West Tennessee. Jackson is easily accessible by highways Tennessee 20, U.S. 45, 70 and Interstate 40. The city of Jackson is a major commerce center for West Tennessee and has three other institutions of higher learning in addition to Lambuth, a civic center, coliseum, symphony orchestra, excellent medical facilities, AA minor league baseball, performing arts center, parks and shopping centers.

Lambuth has a limited enrollment with small classes and much responsibility for students in the areas of academic and social life. All students who enter the University are expected to support its purpose and abide by its regulations; however, students are encouraged to think for themselves, and—in the context of a world that changes each day—students have the opportunity to question, to discuss, and to bring their concerns to the faculty and administration of the University. The University recognizes that students' concerns and questions and the University's purpose are the reasons for their being at Lambuth University.

In providing an academic atmosphere for students, any institution must have a faculty who support the purpose of the University and who respond to students. Lambuth University knows that the faculty and students are the most important part of the University's existence. Even though faculty members participate in research and scholarship, their primary responsibilities are teaching and advising.

As evidence of its commitment to teaching and learning, the University has a sequence of courses required of all students. These requirements include two courses in religion; competency in certain skills such as writing, speaking, and fitness and recreation activities; knowledge of subject matter such as natural science, mathematics, social science, computer information systems; two interdisciplinary courses, and comprehensive evaluation at the senior level. In offering such a sequence of courses, the faculty realizes that students need more than a certain number of hours in order to be educated. As the Purpose of the University states clearly, liberal education at Lambuth involves a reaffirmation of the Wesleyan emphasis on academic excellence and faith in a world that needs freedom of inquiry, careful analysis, communication, responsibility, and service to others.

Historical Background

On December 2, 1843, the Memphis Annual Conference of the Methodist Church received a charter from the General Assembly of the State of Tennessee authorizing the establishment of a college for women to be known as the Memphis Conference Female Institute. Almost without interruption this institution served West Tennessee with an educational program for women that was widely recognized. In November, 1921, the Memphis Annual Conference voted to establish a coeducational institution of higher learning. Accordingly, the M.C.F.I. charter was amended on January 3, 1923, providing for coeducation and changing the name to Lambuth College in honor of the pioneer Methodist missionary bishop, the Reverend Walter R. Lambuth, M.D. The first building, known now as Varnell-Jones Hall, was built in 1923-24. Dr. Richard E. Womack was elected president May 12, 1924. When Dr. Womack resigned after twenty-eight years of dedicated service, Dr. Luther L. Gobbel was elected President of Lambuth and assumed his duties October 13, 1952. In June, 1962, Dr. Gobbel retired after ten years of service. On July 1, 1962, Dr. James S. Wilder, Jr. became president. After eighteen years as president, Dr. Wilder became Chancellor of the College and retired from that position in December, 1981. Dr. Harry W. Gilmer became the President of Lambuth College on June 1, 1980, and served until October, 1986. Dr. Thomas F. Boyd became President of the College in July 1987. On July 1, 1991, Lambuth College became Lambuth University. Dr. Boyd served as President until April 29, 1996. W. Ellis Arnold III became President on January 1, 1997 and served until May 31, 2004. Dr. R. Fred Zuker was elected President and assumed his duties on June 1, 2004.

The Purpose of Lambuth University

As an institution of the United Methodist Church, Lambuth University recognizes the interdependence of education and religion. Lambuth, therefore, reaffirms the Wesleyan emphasis on the necessity for both academic excellence and authentic faith that issue in the highest standards of personal integrity. The University endeavors to provide a congenial atmosphere where persons of all faiths may work together for the fullest development of their total lives.

As a university committed to the liberal arts, Lambuth provides resources and encouragement for students to reach an understanding of the cultural heritage of people throughout the world that will broaden their perspectives, enrich their personalities and enable them to think and act wisely amid the complexities of the present age.

As an institution of higher learning, the University strives to be an academic community of free inquiry in which men and women may prepare for lives of leadership and service to God and humanity. It is here that students are expected to acquire certain skills and knowledge which will give them an ability to examine life critically, appreciatively and comprehensively; a competence in at least one field of knowledge which will help prepare them for a profession or vocation; and a desire to continue their search for truth and knowledge throughout life.

Scope of Service

Lambuth University is an accredited, coeducational four-year institution of liberal arts and sciences. It is the institution of higher learning for the Memphis Annual Conference of The United Methodist Church. Positively Christian in its philosophy, Lambuth endeavors to maintain an atmosphere in which persons of all faiths may pursue the truth without denominational bias.

Lambuth University offers programs of concentration in the traditional areas of the liberal arts, business and a range of other career oriented programs. Students desiring to enter agriculture, architecture, medicine, dentistry, pharmacy, nursing, medical technology, engineering, the ministry, religious education, law or other professions may secure the necessary pre-professional training at Lambuth. The University prepares students desiring to enter the teaching profession to qualify for elementary or high school state teachers' certificates.

Lambuth is an independent, non-profit institution of higher learning. The charges made directly to students represent only a portion of the total cost of instruction. The additional money is provided by the churches of the Memphis Annual Conference through the Sustaining Fund, by direct gifts from interested alumni, friends, foundations, and businesses, and by income from endowment.

Discrimination on the basis of religion, race, age, color, national origin, disability or sex is contrary to the principles to which the University is committed. Lambuth is an equal opportunity educational institution.

The Jane Hyde Scott Center for Christian Studies is an arm of Lambuth University designed to provide a vital and visible link with the United Methodist Churches of the Memphis Annual Conference.

The University's various academic and institutional resources are utilized to assist the churches of the Annual Conference in meeting their spiritual, missional and program needs.

Current programs include:

- •Spiritual renewal for clergy
- •Seminars and training sessions for clergy and laity
- •Continuing education for various ministries
- •Training and skill development for church staff personnel

Under the supervision of the Vice President for Church Relations at Lambuth University in consultation with the Office of Pastoral Formation and the Conference Program Ministry Team, the Center seeks to strengthen relationships with the United Methodist Church, its people, and its ministries. The Center is privately funded through the gifts and donations of individual and corporate donors.

Accreditation

Lambuth University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia 30033-4097; telephone number 404-679-4501) to award Bachelor level degrees. The University is approved by the University Senate, the official accrediting agency of The United Methodist Church, and by the Board of Education of the State of Tennessee for training of elementary and secondary teachers. Lambuth is also a member of the American Council on Education, Council of Independent Colleges, Council of Protestant Colleges and Universities, National Association of Schools and Colleges of The United Methodist Church, Tennessee College Association, Tennessee Council of Private Colleges, and the Tennessee Independent College Fund.

The Campus

Since its first days as a co-educational institution in 1923-24, Lambuth University has grown from a single building to a beautiful 50 acre campus. Located on the west side of Lambuth Boulevard in a residential section of Jackson, the campus is characterized by stately Georgian Revival buildings connected by shaded walkways and spacious lawns.

Varnell~Jones Hall, erected in 1923-24, contains administrative offices, Wisdom Parlor, classrooms, and faculty offices. In 1960, this building was named the Amos W. Jones Memorial Hall in memory of Dr. Amos W. Jones who served as president of the institution from 1853-1878 and 1880-1892. In 1998, this building was renamed Varnell~Jones Hall to honor Jeanne and Henry Varnell, who have long been dedicated leaders and supporters of Memphis Conference causes, including many years of service on the governing boards of United Methodist institutions. Dr. Jeanne Varnell was the first woman chair of the Board of Trustees at Lambuth University.

Richard E. Womack Memorial Chapel, completed in 1957 and occupying a commanding position at the center of the quadrangle, emphasizes the centrality of religion in the life of the University. Members of the Women's Society of Christian Service of the Memphis Conference made the first contribution toward the cost of the structure. The chapel is adaptable and is used for worship, drama, musical performances, and convocations. The fine arts wing of the chapel contains music studios, practice rooms, rehearsal rooms, classrooms, and faculty offices.

Luther L. Gobbel Library was first occupied in the fall of 1961. The growing book, periodical, electronic and reference collections are housed on four spacious floors with a present collection of over 270,000 items. The building also contains offices, classrooms, archives, a 10-station computer lab, a United States Government Documents Depository, and a Center for Jewish Studies.

Wilder Union, completed in 1966, serves as a center for student activities. In addition to the J. A. Williamson Dining Hall, the Eagle's Nest, the Wellness Center, the bookstore, the post office, the Jack Morris Ballroom, and the F. W. Hamilton Room, the Union also houses a band rehearsal hall, the Career Development Center, and the Office of Student Development. The Union is also home to the Offices of Public Safety, Housing/Residence Life, Student Activities, Student Government, Multicultural Affairs, Health Services, the Wellness Center, Greek Life, and the Student Organization Space (S.O.S.). The School of Education is housed on the second floor of the Wilder Union.

Joe Reeves Hyde Science Hall, opened in 1967, contains a computer center, an observatory, greenhouse and other facilities for teaching biology, chemistry, mathematics, physics, and astronomy. The Offices of Retention and Student Support are located on the top floor.

M. D. Anderson Planetarium is located adjacent to the J. R. Hyde Science Hall. The planetarium seats 76 people and projects 2,000 stars on a ten meter dome.

Oxley Biological Field Station, located at Eva, Tennessee, on the grounds of Lakeshore United Methodist Assembly, is a facility for the study of plant and animal life in their natural habitat.

Athletic Center, first occupied in 1969, is a modern structure of 85,000 square feet. It contains an A.A.U. regulation swimming pool, varsity gymnasium, an auxiliary gym, handball court, weight room, gymnastics room, and other facilities for a complete physical education and intramural athletic program. Classrooms and faculty offices, training rooms, and first aid room complete the complex.

Hamilton Performing Arts Center was renovated in 1999. It houses a fully equipped 250 seat Main Stage theatre with a convenient Scene Shop near the stage, and an Actors Greenroom with makeup and dressing facilities.

Carney-Johnston Hall, completed in 1967, is a three and one-half story residence hall composed of carpeted four-person suites and is home for 200 women.

Harris Hall, residence hall for men, was first occupied in the fall of 1961, and accommodates 108 students. It consists of three floors containing bedrooms with connecting baths, lounges, and laundry room.

Oxley Square, an apartment-style complex, consists of four residences–the Dawson House, the Henley House, the Loeb House and the Whetstone House. Selection of residents is based on scholarship and good social standing.

Spangler Hall, a coed residence hall, was first occupied in the fall of 1959 and accommodates 114 students. It consists of four floors containing bedrooms with connecting baths, lounges, and laundry room.

Sprague Hall was erected in 1953 and serves as a residence hall for 115 men. It consists of three floors containing bedrooms, lounges, and other conveniences for comfortable living. The ground floor in the western half of the building provides facilities for the Family and Consumer Sciences program, including a food laboratory, clothing/textiles lab, lecture room, and a dining room.

The Christian Life Center. This converted private residence is provided for the associate chaplain. Its role is primarily to supply a parsonage atmosphere for the campus.

The Multicultural Center is located at 312 Maple Street and serves as a fellowship space for students who seek a multicultural experience and who seek to share their culture with others. It is also used as a meeting place for the minority student organizations on campus. The Center houses books, videos, and other materials that pertain to different ethnic groups.

LAMBUTH UNIV.
JACKSON, TENN.

Family and Consumer Sciences-Visual Art Complex, located on King Street, is made up of three buildings containing Family and Consumer Sciences and Visual Art studios and a lecture room. In addition, a Family and Consumer Sciences Foods lab and a Textiles lab are located across the street in Sprague Hall.

The Lambuth-B'nai Israel Center for Jewish Studies was established in 2002 as a cooperative venture of Lambuth University and Congregation B'nai Israel, the Reform Jewish Temple in Jackson. The Center's purpose is to strengthen the cultural and spiritual enrichment of the campus and the congregation and to promote understanding and reconciliation between Christians and Jews. Through exhibits, library resources, and a variety of programs, the Center offers numerous resources for the study of Judaism and the Holocaust. The Center is located on the second floor of the Luther L. Gobbel Library.

Dunlap-Williams Log House Museum, an original log structure from the early 19th century, was reconstructed on the Lambuth Campus and serves as a permanent museum for pioneer and colonial artifacts, antiques and memorabilia.

An Invitation. You are invited to visit Lambuth University on one of our "preview" days or at a time arranged especially for you by the Office of Admissions. During a campus visit you have an opportunity to meet our faculty, students, admissions staff, coaches, Director of Financial Aid or others you feel could answer your questions. The following Music concentrations must be completed with a Bachelor of Music Degree: Church Music, Music Education (Instrumental and Vocal), and Performance (Instruments, Organ, Piano, and Voice).

Additional requirement for the Bachelor of Science Degree: four credit hours in a laboratory science or mathematics beyond the basic Core Requirements.
Majors in Biology, Chemistry, Environmental Science/Studies, Exceptional Learning, Family and Consumer Sciences, Health and Human Performance, Interdisciplinary Studies, Mathematics, Political Science, Psychology, Sociology, Speech and Hearing Therapy, and Visual Art are offered under the Bachelor of Arts and Bachelor of Science Degrees.

II. Graduation Requirements

Lambuth University builds its curriculum upon a strong liberal arts foundation reflected in a set of core requirements. It is expected that students take the majority of the core requirements on the Lambuth campus, unless the student is admitted with approved transferable hours which are equivalent to the Lambuth core courses. Once enrolled at Lambuth, a student must gain prior approval to have core course-work transferred toward a Lambuth degree. Students admitted with 60 or more credit hours must complete all remaining core courses at Lambuth.

Students are required to earn a minimum of 128 semester hours, excluding developmental courses, with a minimum grade point average of 2.0 on the following:

- all work attempted,
- all work attempted at Lambuth,
- all requirements in the major, the minor, and the Lambuth core,
- all requirements in the major and the minor taken at Lambuth.

The last sixty hours must be earned at a four-year college or university, and the last thirty-two semester hours (exclusive of any extra-institutional credit awarded by

Lambuth) must be earned in residence at Lambuth. The following earned courses and requirements apply to all Lambuth graduates:

A. Lambuth Core Requirements

1. FRS 1001 (required of entering freshmen) ..... 1 hour
2. English 1013, 1023 (prerequisite to all English courses beyond the 1000 level) and one additional English course ..... 9 hours
3. Religion ..... 6 hours
   (at least 3 hours must be from the following: REL 1013, 1113, 1123, 1143, 1153, 1603, 2013, 2513, 3003, 3253, 3313W. REL 2703 or 3703 may be chosen when the content is Bible, Church history, or Christian Theology.)
4. Biology, Chemistry, Physics, or Physical Science ..... 8 hours
5. Communications 2003** ..... 3 hours
6. Mathematics 1113 or 1133 or above ..... 3 hours
7. Computer Information Systems (or pass SAM test***) ..... 3 hours
8. One Social Science course ..... 3 hours
   (from ECO 2033, 2043, HIS 1013, 1023, 1313, 1323, FCS 2513, POL 2013W, 2213, PSY 2013, 2023, SOC 2113, 2123, or 2513.)
9. Music, Theatre, Visual Art course ..... 2 or 3 hours

10. Two writing courses* (one must be 3000 or 4000 level) both outside major department (prerequisite ENG 1013 and 1023) ..... 6 hours
11. Two interdisciplinary courses** ..... 6 hours
    a. One Junior-level (3000) interdisciplinary course (required research in library)
    b. One Senior-level (4000) interdisciplinary course (required criticism of technology)

* The writing-based curriculum at Lambuth reflects the faculty's belief that writing is more than a medium of expression, that it is also a way of knowing and learning. The "W" courses indicate the goal of helping students become stronger writers in a variety of ways. A "W" class means that the writing assigned in the class will be a substantial part of the student's grade; that the process of writing, particularly the importance of revision, will be stressed; and that both content and mechanics of writing will receive careful evaluation.

** Prerequisites. See course descriptions.
*** See Admissions, page 122-123.

Graduating seniors must meet all degree requirements upon final examinations in the spring to be a spring graduate. August graduates must be in good standing at the end of the spring term and be within a few hours of graduation to march as an August graduate. It is the student's responsibility to notify family if his/her anticipated graduation status changes upon the results of final exams.

B. Advising. Academic advising is essential in planning a course of study at Lambuth and in assuring that a student's academic career stays on track through graduation. Students should consult with their advisor about course registration and all course changes.

C. Major (see individual requirements). The majority of courses for the major must

be taken at Lambuth, unless the student is admitted with a significant number of approved transferable hours toward the major, in which case the remaining hours must be taken at Lambuth. As a minimum, fifteen semester hours in the major must be at the 3000 or 4000 level with at least nine of these hours taken at Lambuth. The maximum number of credits for each major is sixty hours. A major normally consists of between thirty and sixty hours in one discipline. In general, a major can be defined as a primary field of study which has breadth and depth.

D. Area of Concentration. An Area of Concentration normally consists of between nineteen and twenty-nine hours in a primary field of study. The Area of Concentration may be designed to intensify a specialty within the major.

E. Minor. The majority of courses for the minor must be taken at Lambuth, unless the student is admitted with a significant number of approved transferable hours toward the minor, in which case the remaining hours must be taken at Lambuth. As a minimum, eighteen hours in one discipline with at least six hours on the 3000 or 4000 level, which must be taken at Lambuth. Some disciplines specify courses in the minor; others do not.

F. Comprehensive Examinations. All students must successfully complete a comprehensive examination or its equivalent in their major field of study and a comprehensive examination in the Lambuth Core prior to graduation.

G. Application For A Degree. Each candidate for a degree must apply for the degree by September 1 of the academic year of graduation. This date applies to candidates who plan to complete their degrees in May Term or Summer Term. December graduates must apply by January 3 of the year of graduation. Participation in graduation exercises is a requirement for a degree at Lambuth unless *in absentia* is granted by the Academic Dean. Application is to be made in the Registrar's Office. Students are required to pay the graduation fee whether participating in the graduation exercises or not.

H. Assessment of General Education. All juniors must take the Academic Profile, an examination over the general education core, with an acceptable score prior to registration for Senior Seminar.

III. Organization

For administrative purposes, departments and areas of study are arranged by related fields into six Schools. Requirements specific to these are found under the appropriate academic heading. Below are listed persons designated as responsible for schools and departments.

A. School of Arts and Communication—Dr. Larry Ray, Head
1. Department of Communications and Theatre—Dr. Florence Dyer, Chair
2. Department of Family and Consumer Sciences and Visual Art—Dr. Larry Ray, Chair
3. Department of Music—Dr. Ross Bernhardt, Chair

B. School of Business and Economics—Dr. Wilburn Lane, Head

C. **School of Education**—To Be Named, Head
   Department of Health and Human Performance—Dr. Cindy Cavanaugh, Chair

D. **School of Social Sciences**—Dr. Paul Jacobson, Head

E. **School of Humanities**—Dr. Charles Mayo, Head
   1. Department of English and Foreign Languages, Dr. Charles Mayo, Chair
   2. Department of Religion and Philosophy, Dr. Gene Davenport, Chair

F. **School of Mathematical and Natural Sciences**—Dr. David Hawkes, Head
   1. Department of Biology, Dr. Nick Ashbaugh, Chair
   2. Department of Chemistry and Physical Sciences, Dr. David Hawkes, Chair
   3. Department of Mathematics, Dr. Sara Hakim, Chair

The following areas of study are offered in the six Schools:

School of Arts and Communication
- Communications
  - Speech Communications
  - Media and Film Studies
  - Public Relations
- Family and Consumer Sciences
  - Fashion Merchandising
  - Foods and Nutrition
  - Interior Design

Special Programs

1. University Honors Program. The Lambuth University Honors Program is a three-semester sequence of courses designed to offer excellent students an opportunity to study with selected faculty and entertain more in-depth study of classic literature and themes. Various topics are considered including art, psychology, ecology, history, ethics, politics, science, sociology, business, religion, and literature.

To be eligible for the program, entering freshmen must have a minimum ACT score of 26 and a 3.0 grade point average. Transfer students and current Lambuth students will be considered if they have at least a 3.0 grade point average and the recommendation of two faculty members.

Students completing the three-semester, nine-hour sequence in honors are exempt from the writing requirement (excluding JRS 3003W) and the upper-level English requirement of the Lambuth Core. Grades of "D" or below in honors courses must be repeated with a "C" or better in order to become an honors graduate.

Students satisfactorily completing this nine-semester hour program will be graduated with University Honors.

2. Honors in Individual Disciplines. Honors study is available in most disciplines for students having a cumulative GPA of 3.25 or higher by the middle of their junior year. Honors consists of the following eight hour sequence of research or the equivalent over the last three semesters of study in a particular discipline:

Honors I. Two hours credit. Spring Term, Junior year.
Honors II. Two hours credit. Fall Term, Senior year.
Honors III. Four hours credit. Spring Term, Senior year.

Students completing this sequence are graduated with honors in their discipline.

3. Lambuth Scholar. Each school may select two Lambuth Scholars, rising seniors who demonstrate achievement and scholarship beyond expectations of the classroom. These students are graduated as "Lambuth Scholars."

4. Adult Learner. Lambuth University attempts to meet the special needs of some students by offering an Adult Learner Grant. An Adult Learner is a student who has graduated from high school at least eight years prior to enrolling at Lambuth. Those qualifying as an Adult Learner will receive reduced tuition charges.

5. Three-Year Residence Program. Students who wish to enter an accredited professional school (medicine, engineering, etc.) at the end of their junior year may receive a degree from Lambuth by completing the Lambuth Core, major and minor requirements, GPA requirements, 96 semester hours, and by transferring 32 hours from the professional school eight of which, with approval by major discipline faculty, may be used to meet Lambuth requirements not otherwise completed. A letter of intent must be filed in the Academic Dean's office the middle of the Junior year. This letter begins the degree audit, designation of courses transferable from the professional school, appropriate signatures to approve the program, and arrangements with the Registrar to carry the files, receive the professional school transcript, and arrange an anticipated Lambuth graduation date.

6. Teacher Education. The Lambuth program in Teacher Education meets licensure requirements for elementary, middle grades, secondary, and special education. Courses in the Lambuth Core Requirements, Professional Education, Subject Matter, and Supplemental Areas meet the teacher education requirements of the State of Tennessee. Professional education cores cannot be used for a minor per se.

7. Special Major. The Special Major Program is designed for those students who discover that none of the established majors fits their needs. Students who want to enter this program should make application to the Academic Dean by submitting a proposal for the Special Major. The proposal should include (1) a faculty advisory

committee, (2) course work in two or more disciplines, with a minimum of forty semester hours, and (3) completion or plans for completion of University requirements. Such students should submit a proposal prior to attaining senior standing and no later than two semesters before graduation.

8. Special Minor. A student may choose a Special Minor, which combines courses from two disciplines that focus upon a particular area of interest. Special minors require at least 24 credit hours, 12 credit hours in each of the disciplines. At least nine credit hours must be taken at the 3000 to 4000 level with at least three upper level hours per discipline. Specific guidelines and permission forms are available in the Office of the Registrar.

9. Independent Study and Course Taught Tutorially. Students may, with appropriate approval, take a course tutorially (T-course) or enroll in an independent study. Permission forms are available in the Office of the Registrar. A tutorial course is a course listed in the Catalog but not available because of the schedule. Students are limited to one independent study or one tutorial course per term and no more than three independent studies and three tutorial courses in their academic career at Lambuth.

10. Internship Opportunities. Students are encouraged to take advantage of University sponsored and supervised internships. Specific guidelines will apply to internships taken for academic credit. The guidelines are available in the Office of the Registrar. A limit of 12 semester hours of internship credit can be used for degree hours.

11. Lambuth in London. The Lambuth in London Program offers students the opportunity to study at a renowned university in England and to travel extensively throughout Europe. The Lambuth in London Program is an annual eight-week academic program at Regent's College in London, England. During the months of June and July, Lambuth students take two classes and receive six hours of undergraduate credit. Beyond their course work, students have the opportunity to attend plays staged by the Royal Shakespeare Company. Students can also attend performances at the Globe. Supplementary to weekend travel throughout England, Ireland, Scotland and Wales, participants in the program have a ten-day period to travel on the continent. Students interested in participating in the Lambuth in London Program should contact program director Dr. Robin Rash in Varnell~Jones 320-A; phone: 731-425-3246; e-mail: rash@lambuth.edu.

12. Lambuth Immersion Programs in Foreign Languages. Lambuth University participates in three different four- to five-week summer immersion programs in conjunction with the Mid-Continent Consortium for International Education. Students interested in Spanish study at the University of Alicante in Spain or at the University of Guanajuato in Mexico. Those learning French study at the University of Quebec at Chicoutimi in Canada. During the months of June and July, students earn a total of six Lambuth credit hours in language and culture. Depending on the student's placement at the beginning of the immersion experience, these credits will count as beginning, intermediate or advanced courses in the foreign language. Students enter into a written agreement to use only the target language as their means of communication, except in emergency situations. Native speakers teach

the courses. The program includes weekend excursions, affording students the opportunity to tour the country with a professor as their guide. A full-time faculty member employed at one of the Consortium's member universities serves as Resident Director, traveling with students and remaining available to them while they are abroad. Students interested in participating in these programs should contact Professor Robin Rash at 731-425-3246 or Professor Margaret Spires at 731-425-3344 or spires@lambuth.edu.

Academic Standards

This catalog contains the policies, standards, and courses by which entering students fulfill academic requirements. Students registering at Lambuth University for the first time who are classified as degree-seeking are subject to the graduation requirements in the Lambuth Catalog in use at the time of that registration. Those students entering Tennessee Community Colleges with plans to continue at Lambuth may elect the Lambuth Catalog at the time of their entry to the Junior College (limits indicated below apply.) Students are strongly advised to keep a copy of the Catalog under which they enter. Graduation requirements in a Catalog subsequent to initial entry may be elected; however, all graduation requirements from the specified catalog must be met. The University reserves the right to require a substitute course for a course that is no longer offered.

The graduation requirements in the Catalog of entry for first-time, continuous, degree-seeking students are applicable for a period of six years. Thereafter, students become subject to the current Catalog. Students who are out of Lambuth for two or more consecutive semesters must re-enter under the Catalog current at the time of re-entry. Students attending Lambuth on a continuing, part-time basis or who have to be out of school for special reasons may appeal for appropriate extension of the six-year limit or catalog of entry by initiating a request in the Office of the Registrar. The final responsibility for fulfilling requirements for all degrees rests upon the individual student.

1. Classification of Students
Freshmen: Those who have earned fewer than 28 semester hours.
Sophomores: Those who have earned 28-59 semester hours.
Juniors: Those who have earned 60-91 semester hours.
Seniors: Those who have earned at least 92 semester hours.
Special: Those who are not seeking a degree at Lambuth.

2. Numbering System: Freshman level courses are numbered 1000-1999; sophomore level, 2000-2999; junior level, 3000-3999; and senior level, 4000-4999. Lower division courses are numbered 1000-2999; upper division courses are numbered 3000-4999. The fourth digit of the course number normally indicates the amount of credit hours unless the catalog states otherwise. Course numbers with a "W" indicate a writing course. Courses listed as "as needed" are offered by faculty determination. Course numbers beginning with a zero indicate courses for which only institutional credit is given. These courses are included in the GPA calculations, semester and cumulative totals but do not carry graduation credit, do

not count for the 128 minimum hours for graduation, and may not be used for a major, minor, or Lambuth Core requirement.

3. Grading, Quality Points, Grade Point Average, Audit, Pass/Fail Option

Grade	Explanation	Quality Points per Credit Hours
A	Excellent	4
B	Good	3
C	Average	2
D	Poor	1
F	Failure, No Credit Earned	0
I(A,B,C,D,F)	Incomplete	4,3,2,1,0
P-F	Pass/Fail (no affect on GPA)	0
W	Withdrawn	0
AU	Audit	0
NG	No Grade, No Hours Attempted or Earned	0

The grade of **I** is given only in exceptional cases. The **I** is issued with a letter grade (ID) indicating the grade earned if the work is not completed by the time set by the instructor but no later than the sixth week of the next regular semester. All **I** grades must have appropriate approval. A change of grade from **I** to a letter grade must be approved by the Academic Dean after the six week deadline. A grade change can only be executed as a result of calculation error. It is initiated by the instructor of record and approved by the School Head and Academic Dean.

Juniors and seniors may take one course each term on a Pass/Fail basis, not to exceed four courses. This option is to be declared at registration. Changes thereafter must be approved by the Academic Dean. These courses, for which graduation credit may be earned, must be electives outside the major, minor and Lambuth Core requirements and require the instructor's permission. (Veterans see Veterans Education Benefits.) Permission to audit (AU) a course is given by the instructor if space is available. Course requirements for audit must be agreed upon by the instructor and the student. Audit courses do not count toward computation of full-time status. Grade Point Average (GPA) is determined by dividing the number of quality points earned by the number of credit hours attempted. Instructors, with the permission of the Academic Dean, may inform students that their final grade will be an F in any course at any time. Courses so affected may not be dropped after the drop period. In 1993 pluses and minuses were approved to be added to the existing grading system but without numerical value. Grade grievances are reviewed by the Student/Faculty Academic Affairs Committee. A student has one year to grieve a course grade.

4. Academic Honors. To be eligible for Dean's List honors, students must have a 3.5 GPA or higher at the regularly scheduled time for posting final grades at each semester's end and receive credit for at least twelve semester hours work during the semester. Students otherwise on academic probation are ineligible. Beginning in the Spring 2006, students with a cumulative GPA of 3.50 will graduate **cum laude**; those with a cumulative GPA of 3.75 will graduate **magna cum laude**; those with a

cumulative GPA of 3.90 will graduate **summa cum laude**. Those students earning credits at other institutions are eligible for these awards if both the Lambuth GPA and the overall GPA meet the requirements for honors at Lambuth.

5. Course Load. Sixteen hours per term constitute a normal course load. **Full-time** students are those who take a minimum of twelve semester hours during a regular term. **Part-time** students are those who take fewer than twelve semester hours during a regular term. Six hours during a regular term constitutes half-time enrollment. For financial aid purposes, a total of twelve hours for all summer terms inclusive is full-time enrollment and six hours for all summer terms inclusive is half-time enrollment. Students may not take more than six hours in any one summer term or five hours in May term. In order to carry more than sixteen hours in a regular term, students must fulfill the following requirements:

Fall and Spring Semesters

GPA	HOURS
2.2 or less	12-16
2.3-2.4	12-17
2.5-2.9	12-18, Advisor's approval to take 18
3.0 or above	19-21, Advisor's and School Head's approval to take above 18

Students should be aware that certain insurance benefits are contingent upon their enrollment as a full-time student. Further, changing status from full-time to part-time during or between academic terms may affect those benefits. Students are advised to check with their insurance carriers.

Summer Sessions

Students must have permission of their School Head to take more than five hours in May or 18 hours in the Summer with no more than six in any one session.

6. Repeated Courses. Students are encouraged to repeat courses that have been failed as soon after the failure as possible. Any course may be repeated unless the privilege is denied by the Academic Dean. Lambuth accepts the highest grade earned. (Veterans see Veterans Education Benefits.)

7. Course Changes. Within the period of full registration, students may make changes in their schedules in consultation with their advisor. These changes will not appear on the Lambuth transcript. After the last day of registration, no courses may be added. Thereafter, courses may be dropped in consultation with the advisor until the drop period is over (see calendar). These courses will show on the Lambuth transcript as a "W." No refund will be made for courses dropped after the refund period (see section on "Refunds" in catalog). After the drop period, only in exceptional circumstances can courses be dropped. Approval by (1) the advisor, (2) the instructor, and (3) the School Head is required. There is a $15.00 fee for all course changes.

8. Academic Discipline.

a. Good Academic Standing. Minimum standards for good academic standing:

Credit Hours Earned		Semester/Cumulative GPA
0–27	(Freshman)	1.75
28–59	(Sophomore)	1.90
60–91	(Junior)	2.00
92 or more	(Senior)	2.00

b. Academic Probation. Freshmen having less than 1.75 GPA and those attaining sophomore status having less than 1.90 GPA in any term or cumulative for all terms, those attaining junior and senior status having less than 2.00 in any term or cumulative for all terms, will be placed on academic probation. Academic probation is noted on Lambuth's permanent student academic record. (Veterans see Veterans Education Benefits.)

c. Academic Suspension. Students who fail 50% or more of their courses in two consecutive terms or who have been placed on academic probation and fall below the minimum standard for good academic standing in the immediately following regular semester for which they enroll will be placed on academic suspension unless mitigating circumstances occur as determined by appropriate Lambuth officials. This placement means that the student cannot continue to attend Lambuth and may not be readmitted until the expiration of at least one regular semester. Incoming transfer students are subject to the same academic probation regulations as Lambuth students (see a.), and those who are admitted under these regulations are subject to suspension after one regular semester at Lambuth. Appeals of suspension must be made in writing to the Academic Dean. Students who have served their suspensions must apply for readmission with the Registrar. Students suspended for the second time will be dismissed from the University indefinitely. After the expiration of one calendar year, students who wish to be considered for readmission may make application through the Office of the Registrar. These applications will be reviewed by the Admissions Committee. The University will not accept hours earned at another institution while students are on academic suspension. Any such work taken may be offered as evidence of improved academic performance and may, under special circumstances or under appeal, be accepted by the Admissions Committee. Lambuth reserves the right to suspend or exclude, at any time, students whose academic performance or action, in the opinion of the Admissions Committee, warrants such suspension. Suspensions and readmissions by virtue of appeal appear on Lambuth's permanent student academic record. In cases of academic suspension, student requests for readmission will be appropriately reviewed, and the University reserves the right to deny readmission.

9. Social Suspension/Exclusion. The University reserves the right to suspend or to exclude at any time students whose attitude, conduct, or academic standing is not in keeping with Lambuth's purpose and standards. In such case financial charges will not be refunded and neither Lambuth nor its officers will be under any liability for such suspension or exclusion. Students who are socially suspended or excluded preceding the drop date will withdraw from all courses. Students who are socially suspended or excluded after the drop date, at the discretion of the Student Affairs Committee, will be administratively withdrawn from classes and receive

"W" grades. The social disciplinary process is found in the Student Handbook. The academic process is found in number eight.

10. Enrollment at Another Institution. Once students enroll at Lambuth they must have their advisor's and their School Head's permission to enroll at another institution if they intend to transfer credit toward a Lambuth degree. Students may also receive permission from the Academic Dean for special circumstances.

11. Class Attendance. Lambuth University affirms the relationship between class attendance and academic performance; hence, students are required to attend all classes. If the academic standing of a student is affected by absenteeism, the instructor will notify the student. Students are accountable for every class meeting of every course for which they are enrolled. All absences, whether for personal reasons or for official university functions, are subject to this accountability. Whenever it is necessary for a student to be absent from class for any reason whatsoever, it is the responsibility of the student to consult with the instructor prior to class and to make up the work missed. In an emergency, absences must be explained when a student returns to class. Students may not be penalized for absences incurred for official university-sponsored activities, sponsored trips, and athletic contests. Instructors may assign reasonable and relevant compensatory work for absences.

12. Dropping a course. Students must consult their advisor before dropping a course in order to fully evaluate the consequences of such action. The student must obtain a drop form in the Registrar's Office. A student cannot drop a course after the drop date unless there are exceptional circumstances. A signature of the Academic Dean and the School Head from which the dropped course is housed are required. Course fees are non-refundable.

13. Withdrawal. Students withdrawing from the University during any term must make application in the Registrar's Office and obtain required signatures. All students planning not to return for the following regular term must have an interview with their advisors, the Director of Student Success and Retention, the Dean of Students, and the Director of Scholarships and Financial Aid. Petitions to withdraw from the University must be made before the last week of class.

14. Transfer Credit. Within the 128 semester hours required for graduation, Lambuth University requires a minimum of 60 semester hours of work earned at a four-year accredited institution. The last 32 hours must be earned at Lambuth University for a Lambuth degree. Lambuth students classified as a junior or senior may not receive credit for hours earned at two-year institutions. Transfer coursework must be equivalent to Lambuth coursework to receive comparable credit. All coursework taken at another institution may not transfer to Lambuth. Students enrolled at Lambuth must receive prior approval of any transfer coursework. The guidelines are available in the Office of the Registrar. Specific guidelines apply to transfer coursework.

15. Correspondence, Extension, and Non-Traditional Courses. Correspondence, extension, and non-traditional courses may be applied toward graduation only in exceptional cases and must be approved in advance by the Academic Dean. No more than the equivalent of six semester hours or two courses may be applied in any circumstance.

16. Cross-Campus Registration. Students enrolled on a full-time basis at Lambuth may enroll in undergraduate courses at Freed-Hardeman University or Union University in fall and spring semesters through the cross registration process. Cross campus registration is for emergency situations, limited to one course per request, and must be approved by the appropriate School Head. The agreement does not apply to May or January term, summer school, private lessons, independent studies, or other non-traditional formats without special arrangement through the Academic Dean.

17. Additional Degrees. Students wishing to earn a second bachelors degree at Lambuth may do so by earning at least 32 additional hours beyond the granting of the first degree, and in the case of concurrent degrees, at least 32 additonal hours and a minimum of 160 credit hours for both degrees, and by completing an additional major and fulfilling other requirements appropriate to that degree.

18. Class Rank. Lambuth does not compute rank within classes nor rank graduating students. However, for certain students establishing a specific need (employment or graduate school, etc.) a graduating rank can be provided. This computation is made by comparing the requesting student's cumulative GPA with all other graduates who have an identical completion date combined with all graduates from the two immediately prior completion periods. Lambuth has three completion periods: Fall, Spring, and Summer. The Registrar has sole responsibility for computing graduating class rank.

19. Disability Policy. Lambuth University is an independent, non-profit, undergraduate, church related institution which does not discriminate on the basis of disability in the provision of educational services. Although Lambuth does not provide separate programs for students with disabilities, accommodations for class presentation, evaluation, and access will be determined on a case-by-case basis once the student has disclosed a disability and appropriate documentation supporting the request for the accommodations has been provided to the University. For further information, contact Ms. Donna Overstreet, Director of Student Disabilities Services, on the third floor of the Hyde Hall Science Building. Phone number 731-425-3297.

All students, regardless of disability, must meet the same admission and graduation requirements.

Academic Offerings and Course Descriptions

School of Mathematical and Natural Sciences

Biology

Associate Professors: Ashbaugh, Cook
Assistant Professor: Donmoyer

Major Requirements—Biology:

Chemistry 1314, 1324	8 hours
Mathematics 1113 or 2114	3-4 hours
Biology	36-37 hours

The biology major must take BIO 1314, 1324, 4014W, 4114, and 4731. In addition, each major must include at least one course from each of the following areas. In some cases a course may count toward more than one area.

Botany	BIO 2414, 3714
Molecular and Cell Biology	BIO 3414, 3614; CHM 4124
Zoology	BIO 2114, 2214, 2314, 3514, 4514
Ecology and Evolution	BIO 2054, 2114, 2214, 2314, 2414, 3323

Minor Requirements—Biology:

A minor or special minor in Biology must include eight hours of course work in the department at the 3000 or 4000 level.

No more than two courses may be applied to both the major and minor.

1014, 1024. Survey of Biology. A broad study of concepts in the biological sciences designed to meet the core requirement for non-majors. The scientific method, biological diversity, ecological interactions, and organismal structure and function will be covered. (Fall, Spring)

1314, 1324. General Biology. An in-depth study of the principles of biology designed for science majors and pre-professionals in the health fields. The course emphasizes metabolism, growth, reproduction, inheritance, structure, function, ecology and classification of living organisms. (Fall, Spring)

2014. Human Anatomy and Physiology I. A broad study of the basic structures and functions of the human body. Cells, tissues, and nervous, endocrine and skeletomuscular systems are emphasized. Three periods and one two-hour laboratory per week. (Not for Major credit.) Prerequisite: BIO 1014 or equivalent. (Fall)

2024. Human Anatomy and Physiology II. A continuation of BIO 2014 emphasizing cardiovascular, respiratory, digestive, urinary and reproductive systems. Three periods and one two-hour laboratory per week. (Not for Major credit.) Prerequisite: BIO 2014 or equivalent. (Spring)

2054. Introduction to the Environment. A general study of the environment and human impact on the environment. Basic ecology, human population growth, environmental policy and social factors contributing to environmental issues will be considered. Three classroom periods and one two-hour discussion/field trip per week. Due to the interdisciplinary nature of the course and its content, this course cannot be used to fulfill the Lambuth core science requirement. (Spring, odd years)

2114. Invertebrate Zoology. The taxonomy, ecology and natural history of the invertebrates. Prerequisite: BIO 1314, 1324 or equivalent. (Fall, even years)

2214. Vertebrate Zoology. The taxonomy, ecology and natural history of the vertebrates. Three classroom periods and one two-hour laboratory per week. Prerequisite: BIO 1314, 1324 or equivalent. (Spring, even years)

2314. Comparative Vertebrate Anatomy. A comparative study of the organ systems of vertebrates. Two periods and two two-hour laboratory periods per week. Prerequisite: BIO 1314, 1324, or equivalent. (Spring, odd years)

2414. Field Botany. The study of plants in their natural environment. Emphasis will be on field identification of native species but consideration will also be given to plant classification, adaptations and ecology. The course will include two mandatory weekend field trips. Prerequisite: BIO 1314 and 1324. (Fall, even years)

2701-4. Special Topics in Biology.

3323. Organic Evolution. A study of the theoretical and empirical framework of evolutionary biology. The major evolutionary processes and their effects on genetic variation of organisms are emphasized. Prerequisite: BIO 1314 and 1324 or permission of instructor. (Spring, even years)

3414. Cell Biology. A study of cells as the basic unit of life. Topics include the structural and functional units of cells, nutrition and metabolism, growth and differentiation, and cell division. Prerequisite: BIO 1014, 1024 and CHM 1314, 1324 or equivalent. (Spring, odd years)

3514. Comparative Embryology. A comparative study of development in vertebrate embryos. Fertilization, cleavage, formation of germ layers and tissue differentiation are stressed. Three periods and one two-hour laboratory per week. Prerequisite: BIO 1314, 1324 or equivalent. (Spring, even years)

3614. Microbiology. An introduction to methods, principles, morphology, physiology and classification of bacteria and related forms. Two lectures and two two-hour laboratory periods per week. Prerequisite: CHM 1314, 1324 and BIO 1314, 1324, or equivalent. (Spring, even years)

3714. Plant Physiology. A basic study of plant function. Metabolic processes, development, and environmental physiology of flowering plants will be emphasized. Prerequisite: BIO 1314, 1324 or equivalent and CHM 1314,1324 or equivalent. (Fall, odd years)

4014W. General Ecology. A basic study of the interrelationships of organism and environment. Three lectures and one three hour lab per week. Prerequisite: ENG 1013/1023 plus BIO 1314, 1324, CHM 1314, 1324 or their equivalent and BIO 2414 or 3714. (Fall, odd years)

4114. Genetics. A study of the principles of heredity and molecular genetics. Prerequisite: BIO 1314, 1324 or equivalent and CHM 1314, 1324. (Fall, even years)

4501-4. Independent Study. Supervised independent study of a biological problem or topic. One to four hours credit. Prerequisite: Permission of instructor.

4514. Vertebrate Physiology. A basic study of systemic animal function, with particular emphasis on mammalian systems. Three periods and one three-hour laboratory per week. Prerequisite: BIO 1314, 1324, and CHM 1314, 1324 or their equivalent. (Fall, odd years)

4601-3. Research in Biology. The student will design and carry out original research (in the lab or in the field) under the supervision of a biology instructor. For biology majors only. Junior or Senior status and consent of instructor required.

4701-4. Special Topics in Biology. An advanced study in a designated area of biology. Topics announced each time the course is offered. Prerequisite: Permission of instructor. One to four hours credit.

4731. Seminar. Seminar in selected topics in Biology. Reports will be presented by the participants on current research in the selected topics. Required of all majors for graduation. To be taken second term of the senior year. (Spring)

Lambuth also maintains an affiliation with the Gulf Coast Research Laboratory, Ocean Springs, Mississippi. A number of marine biology courses are offered there each summer under the auspices of the University of Southern Mississippi. These courses, with prior approval from the Biology faculty, may be transferred to Lambuth and counted toward the major in Biology. Additional information concerning this affiliation can be obtained from members of the Biology faculty.

School of Business and Economics

Business Administration

Professors: Faught, Lane
Associate Professor: Manner
Assistant Professor: Ashton
Instructors: Doran, Halters, Kharat

The School of Business and Economics offers the Bachelor of Business Administration degree with a major in Business Administration with concentrations in either Accounting, Computer Information Systems, Economics, International Business, Management, or Marketing. All majors in the School of Business and Economics must take CIS 1503 as the computer course required in the Lambuth Core. MTH 1133 does not meet the math requirement for the School of Business. All students pursuing a Bachelor of Business Administration Degree must take at least one international course from the School of Business and Economics.

The Lambuth University School of Business and Economics is accredited by the Association of Collegiate Business Schools and Programs (ACBSP). The School of Business and Economics is fully accredited by this agency through the year 2013, at which time the school may apply for reaccreditation. The Association of Collegiate Business Schools and Programs (ACBSP) accredits business programs that meet the association's high standards for leadership, strategic planning, customer satisfaction, outcomes assessments, faculty, and curriculum.

Business Administration major requirements (all concentrations):

- Accounting 2133, 2143 Principles of Accounting I & II ..... 6 hours
- Economics 2033, 2043 Macroeconomics, Microeconomics ..... 6 hours

- Business 4313 Legal Environment of Business ..... 3 hours
- Management 4923W Strategic Management ..... 3 hours

Concentration requirements:

Accounting: ACC 2153, 3113, 3123, 3153, 3163, 3173, 4133, 4153, and 4163

Computer Information Systems: CIS 2503, 3813, 3313, 3653, 4553, 4743 and three courses from CIS 2313, 3023, 3543, 4313, and 4843,

Economics: ECO 3023, 3113, 3123, 3443, 4043, 4123, and 4333

International Business: IBS 2163, 3113, 3203, 3353, 3443, 4343, and POL 3043.

Management: ACC 3163, BUS/IBS 2163, MGT 3243, 4413, 4713, and at least two courses from ACC 3173, BUS/ECO 3023, BUS/IBS 3353, 4323, MGT 3113, CIS 3653, 3813, MKT 3393W, 4643W

Marketing: BUS 3023, MKT 4023W, 4633, and 4643W and at least three courses from MKT 3173, 3183, 3203 and 3393W.

Minor requirements:

Accounting: ACC 2133, 2143, 3113, 3123, and two courses from ACC 3163, 3153, 3173, 4113, 4133, 4143, 4153, 4163 and 4343.

Computer Information Systems: CIS 2503, 4553, 3313, 3653 and two courses from CIS 2313, 3023, 4313, 4743, or 4843

Economics: ECO 2033, 2043, 3013, 3313, and two courses from ECO 3023, 3113, 3123, 3443, 4043, 4123, and 4333

International Business: IBS 2163, ECO 2033, and four courses from IBS 3113, 3203, 3353, 3443, 4343, and POL 3043.

Management: BUS 3013, MGT 3093, 4413, and three courses from ACC 3163, BUS 3023, 4313, 4323, ECO 3313, MGT 3113, 3243 and 4713.

Marketing: ECO 2033, MKT 3033, and any four courses from MKT 3173, 3183, 3203, 3393W, 4023W, 4633, and 4643W.

Admission to the Bachelor of Business Administration Program

A student may apply for admission to the Bachelor of Business Administration Program after meeting the following criteria:

1. A grade of "C" or above in each of the following courses:
   ACC 2133 Principles of Accounting I
   ACC 2143 Principles of Accounting II
   ECO 2033 Macroeconomics
   ECO 2043 Microeconomics
   BUS 3013 Business Statistics

2. A minimum overall GPA of 2.25
3. A minimum GPA of 2.25 in all business courses completed.

A student may take up to twelve semester hours of upper division business courses prior to acceptance into the Bachelor of Business Administration Degree Program. These twelve hours must be taken from the Bachelor of Business Administration Program Core Requirements and may not include MGT 4923W Strategic Management. No more than six of these hours may be taken in one semester.

NOTES: A student must have all course prerequisites before taking any course in the Bachelor of Business Administration Program.

All transfer work in business courses must be a "C" or above.

Application forms for admission to the Bachelor of Business Administration Degree Program are available in the Office of the School of Business and Economics. Completed applications should be returned to that office. The applicant and advisor will be notified in writing of the candidate's status. If the candidate is not accepted, the remaining requirements will be noted. The applicant may re-apply when remaining requirements have been met.

Accounting

2133. Principles of Accounting I. An introduction to financial accounting from a "user's" perspective. Topics covered will include the accounting cycle, merchandising accounts, cash, receivables, inventory, asset valuation, and liabilities. Emphasis will be placed on the preparation of the income statement and balance sheet. Prerequisite: CIS 1503 and MTH 1113. (Fall)

2143. Principles of Accounting II. A continuation of ACC 2133 with emphasis on accounting for corporations and partnerships. Also included will be the preparation of the statement of stockholder equity and statement of cash flows. Financial statement analysis will also be introduced along with introduction to managerial/cost accounting. Prerequisite: ACC 2133. (Spring)

2153. Accounting Information Systems. Principles and problems of accounting system design and implementation. Organization for accounting control, internal control procedures, and internal reports. Attention given to computerized accounting systems and to traditional information flows. Prerequisite: ACC 2133. (Spring)

2701-3. Special Topics in Accounting. (As needed)

3113. Intermediate Accounting I. An intensive study of the body of generally accepted accounting principles concerned with the recognition and matching of revenue and expense to determine financial accounting net income and the related issues of asset measurement and valuation in external reporting. Specific areas of coverage include an analysis of balance sheet and profit and loss statements, together with the theory of valuation and presentation of the underlying accounts used in these statements. Prerequisite: ACC 2143 and ACC 2153 or permission of the instructor. (Fall)

3123. Intermediate Accounting II. A continuation of Intermediate Accounting I, with a detailed study of the body of generally accepted accounting principles concerned with the measurement of liabilities and corporate shareholder equity. Theoretical implications of financial reporting are developed in relation to such topics as: bonds, leases, pensions, cash flow presentation, and disclosure in external reporting. Prerequisite: ACC 3113 or permission of the instructor. (Spring)

3153. Not-for-Profit Accounting. A study of not-for-profit or fund accounting emphasizing the funds recommended by the National Council on Government Accounting. The class will include, but not be limited to, comprehensive problem set for a not-for-profit entity. Prerequisite: ACC 2143 and 2153, or permission of instructor. (Spring, even years)

3163. Cost and Managerial Accounting I. The study of principles and concepts underlying the development of cost information for financial control and decision making. Topics covered will include job-costing, budgeting, cost behavior, and pricing decisions. Prerequisite: ACC 2143 and 2153. (Fall)

3173. Cost and Managerial Accounting II. A continuation of ACC 3163 with emphasis on cost allocation and revenues, quality control, inventory management, JIT, investment decisions, and management control systems. Prerequisite: ACC 3163. (Spring)

4113. Advanced Financial Accounting. An extensive application of accounting theory as it relates to partnerships and corporations. Partnership formation, dissolution, and liquidation will be discussed. The student will get experience in working with cost and equity methods of preparing consolidated financial statements for parent and quantitative decision techniques will be analyzed. Prerequisite: ACC 3123. (Summer, as required)

4133. Federal Tax I. A study of tax law as it applies to taxation for individuals and self-employed persons. Topics covered will include gross income inclusions and exclusions, personal itemized deductions, depreciation, self-employment, capital gains and losses, tax credits, net operating losses and alternative minimum tax. Prerequisite: ACC 2143 and 2153. (Fall, odd years)

4143. Federal Tax II. An overview of business taxation and an in depth study of federal tax law for corporations, partnerships, S corporations, and trusts and estates. Prerequisite: ACC 4133. (As required)

4153. Auditing I. A comprehensive introduction to auditing theory, standards and the application of procedures used by independent Certified Public Accountants to render an opinion on the financial statements. Coverage includes the ethical environment of the independent auditor, the nature of the auditing standards, procedures underlying the audit opinion, and the various forms of the resulting audit report. Emphasis will be on the integration of generally accepted accounting principles and the application of statistical sampling methods as they pertain to the auditing process. Case assignments reinforce the effects of auditing theory in practice. Prerequisite: ACC 3113 or concurrently enrolled. (Fall, even years)

4163. Auditing II. A continuation of an introduction to auditing theory, standards and auditing practice. Coverage includes the ethical environment of the independent auditor, the specific cycles, plans, and programs for audit field work. Additional emphasis is placed on completing the audit, as well as other auditor roles and engagements. Case assignments and a course project are provided to simulate audit planning, assessment, and strategy. Prerequisite: ACC 4153 or permission of instructor. (Spring, odd years)

4343. International Accounting. International reporting responsibility must consider multinational firms as an economic and social force, international currency systems, prices worldwide, and international diversification of investment. Accounting information must serve decision makers whose needs are international in scope. It is recommended that BUS 2163 be taken prior to taking this course. Prerequisite: ACC 2143 and 2153. (Fall, even years)

4501-3. Independent Study in Accounting.

4701-3. Special Topics in Accounting. (As needed)

Business

2163. Survey of International Business. (See IBS 2163.)

2213W. Communications in Business. A survey of oral and written communications in business. Areas of study include report-writing with special emphasis on technology applications. Prerequisite: ENG 1013/1023 and CIS 1503. (Fall and Spring) This course will no longer be offered starting Fall 2006.

2701-3. Special Topics in Business. (As needed)

3013. Business Statistics. Studies statistical methodology and techniques used in describing, interpreting and evaluating statistical data. Attention is given to understanding and calculating the principal measures of central tendency and dispersion, probability relationships and distributions, sampling procedures and precision, and tests for significance of sampling inferences. Students will become familiar with the statistical computer package SPSS. Prerequisite: MTH 1113. (Fall and Spring)

3023. Intermediate Statistics. Studies will begin where the beginning statistics stopped. Topics will include correlation and regression analysis, analysis of variance, time series, index numbers, business and economic indicators, and business forecasting. Knowledge of SPSS will be expanded to include the above topics with large data sets. Prerequisite: BUS 3013 or ECO 3013 or equivalent. (Spring)

3033W. Business Ethics. Foundations and theories of ethics as related to the business environment. Consideration of various factors of ethical decision making for the purpose of developing effective ethics programs. Examination of ongoing and emerging controversies in the business environment. (Fall and Spring)

3353. Cross-cultural Issues in Business. (See IBS 3353.)

4313. Legal Environment of Business. A survey of legal issues pertaining to the business environment including business ethics, antitrust legislation, consumer protection, bankruptcy, trusts, decedents' estates, and constitutional, administrative, employment, environmental and international law. (Fall and Summer)

4323. Business Law. Basic principles of the law of contracts. Includes law of agency, law of partnerships and corporations, and sales including transfer of title and risk of loss. (Spring)

4501-3. Independent Study in Business. For the advanced student who desires to pursue individual research in a specific area of business. The work done will be under the supervision of one or more faculty. Open only to upper division students with permission of the instructor(s). One to three credits.

4701-3. Special Topics in Business. Selected topics in the field of business which are not presently covered in existing courses. Topics are to be selected each time the course is taught. (As needed)

4801-6. Internship in Business. This course is designed to provide students with applied experience in their concentration or related field of study. Each student will work with a faculty member and an on-site supervisor to determine the type of experiences in which the student will participate. Prerequisite: junior standing and minimum 2.50 GP.A.

4901-6. Internship in Business. See BUS 4801-6.

Computer Information Systems

1503. Survey of Business Software. This course provides a student with exposure to today's popular business productivity software, including hands-on lab exercises. Windows Word Processing, Spreadsheets, and other packages will be utilized. (Fall, Spring, and Summer)

2013. Introduction to C++ Programming. (See MTH 2013)

2313. Web Development. A beginning course in web design. The course will survey the various tools and technologies, and will use a case approach for developing necessary skill sets. Microsoft Front Page, HTML, and other standards will be followed. (Spring, odd years)

2503. Fundamentals of Computer Information Systems. A basic course in which characteristics, capabilities, and limitations of digital computers are taught. The utilization of both the computer and software as key parts of business information systems is presented. (Fall)

2701-3. Special Topics in Computer Information Systems. (As needed)

3023. Operating Systems. Concepts of operating systems along with the management of jobs, tasks, data, and memory allocation. Also includes multi-programming concepts, time-sharing requirements, and a thorough study of the Windows operating system and the UNIX/LINUX platform. (Fall, even years)

3313. JAVA Programming. An introductory course in programming using JAVA and associated editing and scripting utilities. Prerequisite: MTH 2013. (Spring, odd years)

3543. COBOL Programming. A study of COBOL (Common Business Oriented Language) and its use in business in the generation of reports, statistics, and other managerial information. Students are required to write, compile, execute and document business programs in COBOL. (Fall, odd years)

3653. Data Base Systems. A thorough study of traditional data bases, such as ACCESS and SQL, and their uses in the computerized business world. (Fall, even years)

3813. Concepts of Data Communication. Concepts of teleprocessing and data communications including hardware, software, methodologies, systems design, and applications. Networking utilizing microcomputer LAN's is included. Prerequisite: Permission of the instructor. (Spring)

4313. Advanced Web Development. This course mainly concentrates on creating database web applications with the emphasis on server side programming languages, mainly PHP and ASP. Database connectivity with scripts for shopping cart and quizzes will be used. Also the use of cookies and session variable will be covered in depth with practical hands on programming. Pre-requisites: CIS 2313 and 3653. (Spring, even years)

4501-3. Independent Study in Computer Information Systems.

4553. Systems Analysis and Design. This course establishes a basic understanding of both the elements and the functions of the processes of system definition, analysis, and design. Systems, both manual and computerized, are studied in relation to the business environment. Prerequisite: any computer language course. (Fall, odd years)

4701-3. Special Topics in Computer Information Systems. (As needed)

4743. Advanced Systems Analysis and Design. A continuation of Systems Analysis and Design with an emphasis of the physical implementation of systems, primarily through the use of database technology. Prerequisite CIS 4553. (Spring, even years)

4843. Advanced Database Systems. A continuation of Database Systems where more depth is given to database theory and application. Prerequisite: CIS 3653. (Spring, odd years)

Economics

2033. Principles of Macroeconomics. The emphasis in this course is on income and employment theory. The roles of money, financial intermediation, and central banking are coordinated with the distribution of income and wealth. The causes and consequences of income, employment, and money fluctuations are explored. Theories, implementation, and effectiveness of governmental monetary and fiscal policies aimed at full employment, price stability, and growth are examined. Prerequisite: MTH 1113. (Fall)

2043. Principles of Microeconomics. The emphasis in this course is on price theory—how, in our relatively free enterprise economy, prices serve to ration scarce resources through production and distribution activities to consumption, as determined by consumer choice, supply and demand conditions, market organizations, social restraints and government intervention. Prerequisite: MTH 1113. (Spring)

2701-3. Special Topics in Economics. (As needed)

3013. Business Statistics. Studies statistical methodology and techniques used in describing, interpreting and evaluating statistical data. Attention is given to understanding and calculating the principal measures of central tendency and dispersion, probability relationships and distributions, sampling procedures and precision, and tests for significance of sampling inferences. Students will become familiar with the statistical computer package SPSS. Prerequisite: MTH 1113. (See BUS 3013) (Fall and Spring)

3023. Intermediate Statistics. After a summary review of statistical fundamentals, study proceeds to correlation and regression analysis, analysis of variance, time series, change components, index numbers, business and economic indicators, and business forecasting. Knowledge of SPSS will be expanded to include the above topics with large data sets. Prerequisite: BUS 3013 or ECO 3013 or equivalent. (See BUS 3023) (Spring)

3113. Intermediate Macroeconomics. Aggregate economic accounts including measurement of national income; determination of levels of income and output; causes and solutions for problems of unemployment, inflation and economic growth. Prerequisites: ECO 2033, 2043 and MTH 1113. (Fall, odd years)

3123. Intermediate Microeconomics. Basic factors of price and distribution theory, including analysis of demand, costs of production and supply relationships, and price and output determination under various market structures. Prerequisites: ECO 2033, 2043, and MTH 1113 (Spring, even years)

3313. Financial Management. Concerned with principles and practices of business finance, this course analyzes managerial means toward efficiency in the procurement and use of money to satisfy essential and competing business operations within the appropriate framework of different time dimensions. Prerequisite: ACC 2143. (Fall)

3443. International Economics. Foreign exchange market, balance of payment, foreign trade policies and theories of international trade will be covered. Prerequisites: ECO 2043. (Spring, odd years)

4043. Investments. After an overview of broad investment opportunities, this course focuses principally on investments in financial securities—especially stocks and bonds. Assuming the perspective of an individual investor, analysis is directed toward reconciling investment objectives with prospective gains and potential losses, all within the changing environment of financial markets, business operations, and economic conditions. Prerequisite: ECO 3313. (Spring, even years)

4123. Money and Banking. The general natures and histories of money and banking are explained as a background for examining credit instruments and applications, money and capital markets, the Federal Reserve System and monetary policy, and the structure of commercial banking in the United States. Emphasis is on an understanding of commercial banking in general, as well as the particulars of a typical commercial bank's composition of assets and liabilities, funds management, credit extensions and investments, and operational activities and characteristics. Prerequisite: ECO 2033 and 2043. (Fall, even years)

4333. Senior Seminar in Economics. A capstone course for Economics majors requiring synthesis and integration of information from previous course work. Prerequisite: ECO 3113 and 3123 or permission of the instructor. (Spring, odd years)

4501-3. Independent Study in Economics. For the advanced student who desires to pursue individual research in a specific area of economics. The work will be under the supervision of one or more members of the Business faculty. Open only to upper division students with permission of the supervising instructor. One to three credits.

4701-3. Special Topics in Economics. (As needed)

International Business

2163. Survey of International Business. This course examines the challenges of global competition in business. Topic areas include international trade and investment, global integration and cooperation, world resources and the natural environment, cultural implications in business, the socio-business environment, and the impact of multinational firms. (Fall)

3113. International Management. (See MGT 3113.)

3203. International Marketing. (See MKT 3203.)

3353. Cross-cultural Issues in Business. Introduces cross-cultural issues in business in domestic and international markets and how they impact global management and competition. Emphasis on understanding the principles, processes and interpretation of human ways of living and how they impact business practices. It is recommended that BUS 2163 be taken prior to this course. Prerequisite: sophomore or above standing or permission of the instructor. (Fall, even years)

3443. International Economics. (See ECO 3443.)

4343. International Accounting. (See ACC 4343.)

Management

2701-3. Special Topics in Management. (As needed)

3093. Principles of Management. An introduction to management including study of the basic functions of planning, organizing, staffing, directing, and controlling. (Fall and Summer)

3113. International Management. Introduction to the management of international business or multinational companies. Strategy implementation and control activities such as choosing foreign associates are explored. Cultural, social, and ethical issues facing international managers are examined. Prerequisite: MGT 3093. (As needed)

3243. Human Resource Management. Designed to provide systemic analysis of the personnel functions in an organization. Emphasis is upon employee motivation and supervisory skills, employee selection and development, and employee incentives. Prerequisite: MGT 3093. (Fall)

4413. Organizational Behavior and Theory. An integration of behavioral science concepts as they apply to business and industry. Theories dealing with individuals and small groups will be covered in various organizational settings. Prerequisite: MGT 3093 (Spring)

4501-3. Independent Study in Management.

4701-3. Special Topics in Management. (As needed)

4713. Production Management. A specialized area of management study in plant layout, planning for production, inventory control, production control, and analysis of methods. Prerequisites: ACC 2133, BUS 3013, and MGT 3093. (Spring)

4923W. Strategic Management. A course designed to present an organized, integrated approach to the managerial decision-making process. Readings, case discussions, and preparation of reports on selected subjects. Prerequisite: ENG 1013/1023, Senior standing, BUS 3013, MKT 3033, MGT 3093, ACC 2133, and ECO 3313. (Spring)

Marketing

2701-3. Special Topics in Marketing. (As needed)

3033. Principles of Marketing. A basic course in the principles and methods of marketing and in market structures and institutions. Topics treated include marketing functions, marketing institutions, functions and modes of operation of marketing agencies, problems in creating demand, market regulation and legislation, marketing costs, and prices and price factors. Prerequisite: ECO 2043. (Fall and Summer)

3173. Principles of Advertising. Concepts and practices of advertising and the role of advertising in society are stressed. Additional coverage includes the relation of advertising to other business activity, and the use of advertising as communication. Prerequisite: MKT 3033. (Spring)

3183. Professional Selling. A study of the elements and techniques of selling and the control of sales operations. Emphasis includes sales organization structures, selection and training personnel, sales supervision, stimulation and supervision of the sales force, and evaluation of sales performance. Prerequisite: MKT 3033. (Spring)

3203. International Marketing. Surveys the economic, cultural, and political foundations of international marketing systems. Topic areas include the foreign consumer, product policies, pricing policies, and distributional structures, as well as the promotional and marketing research phases of foreign operations. Prerequisite: MKT 3033. (Fall, odd years)

3393W. Principles of Retailing. A study of the principles that underlie the successful operations of enterprises distributing products and services to ultimate consumers. Topics such as store location ad layout, store organization, the buying function, merchandise pricing and handling, displaying and other related topics will be covered. Prerequisite: ENG 1013/1023 and MKT 3033. (Fall)

4023W. Strategic Marketing. Study and case analysis of marketing research, product planning, costs, pricing, channels of distribution, advertising, and sales promotion. Prerequisite: ENG 1013/1023 and MKT 3033 and MGT 3093 and senior status or permission of instructor. (Fall)

4501-3. Independent Study in Marketing.

4633. Consumer Analysis and Behavior. Designed to use an interdisciplinary approach in the study of theories and concepts that lead the consumer to final purchase decisions. Special attention will be given to the individual as he/she is influenced by internal and external forces in making marketing decisions. Prerequisite: MKT 3033. (Spring)

4643W. Marketing Research. This course covers research methodology with the emphasis on the application of social science techniques of research to marketing problems. Critical evaluation of various sources of information, research procedures, and methods of utilizing research findings is required. An individual or group research project provides practical application of the methods studied. Prerequisite: ENG 1013/1023 and MKT 3033, BUS 3023 or ECO 3023, and ACC 2123. (Spring)

4701-3. Special Topics in Marketing. (As needed)

School of Mathematical and Natural Sciences

Chemistry and Physical Sciences

Professors: R. Barnes, Hawkes
Associate Professor: Moeller

Major Requirements—Chemistry:

Mathematics 2124	4 hours
Physics	8 hours
Chemistry (including CHM 3214, 3224, 3314, 3323, 3514 or 3524, 4601)	36 hours

It is recommended that students planning to take graduate work in Chemistry include in the program Mathematics 3114, 4213, and German 1013 and 1023.

Minor requirements—Physics:

Physics 3304 and 3314	8 hours
Physics electives	10-11 hours
	Total 18-19 hours

No more than two courses may be applied to both the major and the minor.

Physical Science

1014. Survey of Physical Science. A consideration of the basic physical and astronomical principles necessary for the understanding of today's universe. Includes laboratory experience and planetarium. Three hours lecture and one lab per week. (Fall)

1024. Survey of Physical Science. A survey of chemical, geological, and meteorological principles, including concepts basic to understanding of the physical environment. In-

cludes laboratory experience. Three hours lecture and one lab per week. (Spring)

Physics

1314. Astronomy of the Solar System. A study of objects and phenomena found in our solar system. The motions and physical properties of planets, moons, asteroids, comets, and the Sun will be surveyed. One lab per week. (Fall)

1324. Stellar Astronomy. A survey of objects and phenomena which lie outside our solar system. Special emphasis will be placed upon how intrinsic properties of stars, interstellar matter, and galaxies are found. One lab per week. (Spring)

2214. College Physics. An algebra and trigonometry based study of kinematics, dynamics, statics, rotational motion, conservation laws, gravitation, elasticity, waves, sound, temperature and heat. One lab per week. Co-requisite: MTH 1113. (Fall)

2224. College Physics. A continuation of Physics 2214. An algebra and trigonometry based study of ideal gases, thermodynamics, electromagnetism, circuit analysis, geometric optics, physical optics, relativity, and elements of atomic and nuclear physics. One lab per week. Prerequisite: PHY 2214 or permission of instructor. (Spring)

2701-4. Special Topics in Physics.

3304. Physics for Science and Engineering. Course content is the same as Physics 2214 except that vector algebra and calculus are used. Required of all pre-engineering students and recommended for majors in mathematics, chemistry or physical science. Meets five times per week. One lab session. Prerequisite: MTH 2124. (Fall)

3314. Physics for Science and Engineering. Course content is the same as Physics 2224 except that vector algebra and calculus are used. Required of all pre-engineering students and recommended for majors in mathematics, chemistry, or physical science. Meets five times per week. One lab session. Prerequisite: PHY 3304 or permission of instructor. Co-requisite: MTH 2124. (Spring)

4501-3. Independent Study in Physics.

4701-4. Special Topics in Physics.

Chemistry

1314. General Chemistry I. A study of chemical principles and their application. Atomic theory and the structure of matter are examined in the context of chemical properties and reactions with an emphasis on quantitative relationships. Three hours lecture and one laboratory per week. Co-requisite: MTH 1113 or equivalent. (Fall)

1324. General Chemistry II. A continuation of General Chemistry I. Three hours lecture and one laboratory per week. Prerequisite: CHM 1314. (Spring)

2014. Chemical Equilibrium. A study of the fundamentals of chemical equilibrium as it applies to chemical analysis. Includes the study of solution equilibria, acid-base theory, complex ion equilibria, and electrochemistry. Three hours lecture and one laboratory per week. Prerequisite: CHM 1324 and MTH 1113, or equivalent. (Fall, odd years)

2214. Environmental Chemistry. Studies related to the chemistry of natural waters, the atmosphere and the soil, and how pollutants effect this balance. Three hours lecture and one laboratory per week. Some field work is required. Prerequisite: CHM 1324 and BIO 1024.

(Fall, even years)

2701-4. Special Topics in Chemistry.

3214. Organic Chemistry I. A study of aliphatic and aromatic organic compounds and their derivatives. Classes of compounds, their preparation and important reactions are examined with an emphasis on structure and reaction mechanisms. Three hours lecture and one laboratory per week. Prerequisite: CHM 1324. (Fall)

3224. Organic Chemistry II. A continuation of Organic Chemistry I. Three hours lecture and one laboratory per week. Prerequisite: CHM 3214. (Spring)

3314. Quantitative Analysis. A study of the fundamental principles involved in quantitative chemical measurements as illustrated in volumetric, gravimetric, and instrumental analysis. Two hours lecture and four hours laboratory per week. Prerequisite: CHM 1324 and MTH 1113. (Spring, even years)

3323. Inorganic Chemistry. An introduction to modern inorganic chemistry. Topics include atomic and molecular structure, bonding, periodic properties of the elements, spectroscopy and crystal field theory, organometallic chemistry and catalysis. Three hours of lecture per week. Prerequisite: CHM 1324. (Spring, odd years)

3414. Bio-organic Chemistry. A study of functional groups of organic compounds. Carbohydrates, proteins, lipids, and nucleic acids will be covered. Laboratory techniques covered will be applicable to Organic Chemistry and Biochemistry. Three hours lecture and one laboratory per week. Prerequisites: CHM 3224. (As needed)

3514. Physical Chemistry I. A study of the fundamental laws and theory of thermodynamics with applications to chemical systems. Three hours lecture and one laboratory per week. Prerequisites: CHM 1324 and MTH 2124. (Fall, even years)

3524. Physical Chemistry II. The study of atomic and molecular structure through quantum theory, spectroscopy, and chemical dynamics. Three hours lecture and one recitation per week. Prerequisites: CHM 1324 and MTH 2124. (Spring, odd years)

4124. Biochemistry I. A study of the chemistry and metabolism of carbohydrates, proteins, and lipids, with emphasis on the relationships of structure, function, and reaction mechanisms. Three hours lecture and one laboratory per week. Prerequisites: CHM 3224. (Fall, odd years)

4133. Biochemistry II. A study of the chemistry and metabolism of amino acids and proteins and the chemistry and biosynthesis of lipids, nucleotides, and nucleic acids. Also the study of the chemistry of biological information transfer, DNA, and extracellular information. Three hours lecture per week. Prerequisites: CHM 4124. (Spring, even years)

4324. Advanced Organic Chemistry. A review and extension of the facts and theories of organic chemistry with emphasis on mechanisms of reactions, stereochemistry and spectroscopy. Three hours lecture and one laboratory per week. Prerequisite: CHM 3224. (Spring, even years)

4501-4. Independent Study in Chemistry. Designed to meet the needs and interests of senior students majoring in chemistry. The work is independent and is selected individually. The student is expected to keep accurate records of this work and also to become acquainted with current literature in the area in which he is working.

4601-3. Research in Chemistry. The investigation of an original problem in chemistry. For chemistry majors or minors having completed three semesters of chemistry. This course is required for a major in chemistry. Prerequisite: CHM 3214 or 2014. (Each term)

4701-4. Special Topics in Chemistry.

Communications

The Communications area offers a major (Bachelor of Arts) and a minor. The obligations for a major in Communications include the completion of the Communications major requirements, 18 semester hours of an area of concentration, plus twelve hours of communications electives, for a total of 44 hours. The major must include 15 hours at the 3000 or 4000 level, nine of which must be taken at Lambuth.

Communications major requirements (all concentrations):

COM1013	Survey of Mass Communications	3 hours
COM2003	Rhetoric: Principles and Practices	3 hours
COM2113W	Media and Society	3 hours
COM3123	Interpersonal Communication	3 hours
COM4922	Exit Project	2 hours
		Total 14 hours

Concentration requirements:

Speech Communications: ..... 18 hours (including COM 4553)

COM 2423	Voice & Diction for Theatre and Communications
COM 3313	Oral Interpretation
COM 3513	Debate
COM 3523W	Research Methods in Communications
COM 3533	Intercultural Communication
COM 3613	Advanced Public Speaking
COM 4113	Organizational Communication
COM 4313	Personal Communications Techniques
COM 4513	Practicum in Speech Communication
COM 4553	Selected Issues – History and Criticism of Rhetoric (required)

Plus 12 hours of departmental electives *

Media and Film Studies ..... 18 hours (including internship)

COM 1113	Introduction to Film
COM 2053	Film History
COM 2603W	Media Criticism
COM 2432	Photography I
COM 3013	Media Announcing and Performance
COM 3043	Basic Video Production
COM 3432	Photography II
COM 3243	Film Criticism
COM 3223	News Media Writing
COM 3523W	Research Methods in Communications

Plus 12 hours of departmental electives*

Communication Electives (all concentrations)
Departmental Electives of 12 hours must include at least six hours outside of concentration. These hours may include an additional internship beyond that required in the concentration.

Communications minor: ..... *18 hours*
COM 1013, 2113W, plus twelve hours chosen from one of the three concentrations. *The minor must include six hours at the 3000 or 4000 level and must be taken at Lambuth.*

1013. Survey of Mass Communications. A survey approach to the historical, theoretical, regulatory, economic, aesthetic and production aspects of the communications media and industries. (Fall)

1053. Principles of Public Relations. An introductory survey of the field of public relations, with emphases on discipline, definition, historical and current theory, and the principles and practices used with general and specific audiences. (Fall, even years)

1113. Introduction to Film. An introduction to the study of film, including a historical overview, basic understanding of film technology and consideration of critical approaches to film analysis. (Fall, even years)

2003. Rhetoric: Principles and Practices. Upon an intensive theoretical foundation of classical to contemporary rhetorical principles, this course provides extensive application opportunities for practicing the art of informative and persuasive public address. Prerequi-

site: ENG 1013 and 1023 and at least sophomore status. (Fall, Spring, Summer)

2053. Film History. An in-depth consideration of the history of film as an art form and entertainment medium, and the film industry, both in the United States and internationally. (Spring, odd years)

2113W. Media in Society. A critical study of the historical, cultural, social, political and, technological factors which shape and are shaped by the mass media. Prerequisite: ENG 1013/1023. (Spring)

2153. Basic Public Relations Writing. An overview of the communications tasks public relations practitioners face and practical experience in preparing news releases and other vehicles for print and electronic media aimed at general audiences. Prerequisite: COM 1053 or faculty permission. (Spring, odd years)

2213W. Communications Techniques for the Professions. (See BUS 2213W)

2412. Graphic Art and Visual Communication I. (See VRT 2412)

2423. Voice and Diction for Theatre and Communications. A study of the International Phonetic Alphabet and the principles of effective voice usage. Special emphasis placed on improving voice and diction and diction characteristics through exercises in projection, articulation and pronunciation. (As needed)

2432. Press Photography I. (See VRT 2432)

2603. Media Criticism. An evaluation of the roles and responsibilities of mass media in society and of the impact of the media on individuals and society. Prerequisite: ENG 1013 and 1023 and instructor's permission. (As needed)

2701-4. Special Topics in Communications.

3013. Media Announcing and Performance. Exploration of and exercise in the skills necessary for broadcast announcing and related media performance, with emphasis on diction and copy interpretation. Focuses include newscasting, feature narration, commercial and promotional delivery, sportscasting, etc. Prerequisite: COM 2423 or instructor's permission. (As needed)

3043. Basic Video Production. An overview study of basics of camera operation, video composition, lighting, scripting, staging and basic digital video editing. (Spring, even years)

3123. Interpersonal Communication. The study and practice of person-to-person communications encounters that are transactional with simultaneous verbal and non-verbal exchanges. (Fall)

3153. Advanced Public Relations Writing. A practical course in writing for specialized public audiences in such forms as annual reports, magazines, newsletters, and brochures, as well as preparing media kits. Prerequisite: COM 2153. (Fall, odd years)

3223. News Media Writing. A practical study of news and information writing for contemporary media. Applications in news operations and in script preparation. (Spring, even years)

3243. Film Criticism. An introduction to film *appreciation,* viewing of a broad spectrum of films to aid the student in developing critical skills and applying them to various film elements and genres. (May or Summer)

3303. Advertising Copywriting. A study and practice of writing commercial, continuity and other non-news copy for contemporary media. Emphasis given to such forms as promotional materials, public service announcements, commercial advertisements, press releases, etc. (Fall, even years)

A course designed to develop the art of communicating to an audience a work of literature in its intellectual, emotional and aesthetic entirety through vocal, physical and psychological performing techniques. Literary forms include prose, poetry and drama, as well as mixed forms for lecture recital, reader's theatre and chamber theatre. (Spring, even years)

3412. Graphic Art and Visual Communication II. Continuation of 2412. (See VRT 3412)

3422. Graphic Art and Visual Communication III. Continuation of 3412. (See VRT 3422)

3432. Press Photography II. Continuation of 2432. (See VRT 3432)

3442. Press Photography III. Continuation of 3432. (See VRT 3442)

3513. Debate. Theory and practice in formal debate. Presentation of cases, evidence, modes of reasoning, uses of refutation. Prerequisite: COM 2003 or instructor's permission. (Spring, odd years)

3523W. Research Methods in Communications. An introduction to the methodological procedures employed in the strategies of research design and data collection. Sample design, questionnaire and survey construction and other quantitative and qualitative methods of social research are investigated. Prerequisite: ENG 1013/1023. (Spring, odd years)

3533. Intercultural Communication. A semiotic examination of culture and study of theoretical and practical aspects of understanding and appreciating different cultures, providing students with practical skills for understanding intercultural communicating. (Spring, odd years)

3543. Radio Production. A study of theories, techniques and tools of radio production. Practical application in creating radio programming, including music, talk, discussion, interview, documentary and special events programs. (Fall)

3613. Advanced Public Speaking. A practical study of persuasive speaking with emphases on logical, ethical and pathetic forms of proof and on effective rhetorical composition and delivery. (Fall, odd years)

4103. Media Management. An analysis of the functional operations of media industries, broadcast, cable and emerging media technologies. Includes studies of program formats, as well as managerial concerns. (As needed)

4113. Organizational Communication. A study of the nature of communication within organizations, including interpersonal, small group and large group dynamics. (Fall, odd years)

4223W. Communications Law and Regulations. A fundamental but comprehensive study of the legal and regulatory framework within which communications industries work. Media studied include radio, television, publishing, music, and motion pictures. Issues include regulatory agencies, libel, privacy, publicity, restraint, copyright provisions, and contractual arrangements. Prerequisite: ENG 1013/1023. (Fall, odd years)

4243. Radio Drama and Performance. Theory and performance of group interpretation of literature with an emphasis on radio drama and readers theatre. Scripts are interpreted for "theatre of the mind" performance using the campus radio laboratory. (Spring)

4313. Personal Communication Techniques. (See FCS 4313)

4343. Advanced Video Production. Advanced focus upon specific areas of video production, such as digital editing and composition, electronic field production and electronic newsgathering. Prerequisite: COM 3043 or instructor's permission. (Spring, odd years.)

4412. Graphic Art and Visual Communication IV. Continuation of 3422. (See VRT 4412)

4432. Press Photography IV. Continuation of 3442. (See VRT 4432)

4453. Public Relations Campaigns. A course to develop in students a clear set of principles to guide the planning, implementation and evaluations of comprehensive public relations campaigns. Prerequisite: COM 2153 or instructor's permission. (Spring, even years)

4501–3. Independent Projects. A course in which the student selects and completes a project in any area of his/her interest under the direction of at least one member of the faculty. Written proposals must meet institutional requirements and have the appropriate approval. May repeat for a maximum of seven credit hours.

4513. Practicum in Speech Communication. Supervised experience in a professional work setting in a field requiring speech communication skills dealing with production, sales, marketing, communications research firms or corporate communications settings. (Fall, Spring)

4533. Selected Issues: History and Criticism in Rhetoric. An advanced study in selected issues in rhetorical history, theory, and/or criticism for the senior graduating with a concentration in speech communication. Prerequisite: Senior standing; instructor permission. (As needed)

4543. Documentary Development and Production. Introduction to the elements of the documentary genre, including subject selection, scripting, as well as production techniques unique to this film form. Prerequisite: COM 3043 or instructor's permission. (Fall, odd years)

and will normally complete it during the senior year. This requirement is viewed by the Communications faculty as a culminating experience. (Fall, Spring, Summer)

Theatre

The Bachelor of Arts in Theatre offers the following emphases:
(1) Performance
(2) Production
(3) Theatre Arts Studies
Each emphasis will contain a faculty-approved sequence of appropriate courses.

Major Requirements: Bachelor of Arts in Theatre
Theatre ..... 46 hours
The major must include 15 hours at the 3000 or 4000 level, nine of which must be taken at Lambuth.

Minor requirements: Theatre
THE 2013 Intro to Theatre ..... 3 hours
THE 2233 Theatre History I ..... 3 hours
THE 2243 Theatre History II ..... 3 hours
THE 2123 Stagecrafts I ..... 3 hours
3000 or 4000 level Theatre courses ..... 6 hours
total 18 hours

1012. Design I. (See VRT 1012.)

1233. History of Interiors and Decorative Arts I. (See FCS 1233.)

1243. History of Interiors and Decorative Arts II. (See FCS 1243.)

1312. Design II. (See VRT 1312.)

1512. Color. (See VRT 1512.)

1612. Presentation Techniques—Drafting. (See FCS 1612.)

2013. Introduction to the Theatre. A fundamental course in theatre as a form of artistic expression. Emphasis is placed on dramatic structure, types of plays, schools of dramatic thought, and the function of theatre personnel.

2123. Stagecraft and Construction I. A practical study of backstage productional organization and activity. Emphasis on the physical theatre, scene shop equipment and use, building materials, and the rigging and shifting of scenery. Application in constructing for a major production.

2143. Stagecraft and Construction II. A practical study of backstage productional organization and activity. Emphasis on the physical theatre, prop design and construction. Application in constructing for a major production.

2153. History of Costuming. (See FCS 2153.)

2233. Theatre History I. A survey of theatrical history from ancient to contemporary times. Representative dramatists, forms, styles and practices are studied and their significance to the historical development of the theatre explored. This course studies ancient times to 1700.

2243. Theatre History II. A survey of theatrical history from ancient to contemporary times. Representative dramatists, forms, styles and practices are studied and their significance to the historical development of the theatre explored. This course studies 1700 to the present.

2423. Voice and Diction for Theatre and Communications. A study of the International Phonetic Alphabet and the principles of effective voice usage. Special emphasis placed on improving voice and diction characteristics through exercises in projection, articulation and pronunciation. (As needed)

2513. Creative Dance. Designed to develop a knowledge, technique and appreciation of the fundamentals of dance. Emphasis will be placed on creative movement, body coordination, flexibility, balance, design and expression.

2523. Advanced Creative Dance. A continuation of 2513. Further technical training and personal expression as individuals or in group activities will be emphasized. Students will be trained to design and execute a performance as their final examination. Prerequisite: THE 2513 or instructor permission.

2613. Costume Selection and Construction. (See FCS 2613.)

2701-4. Special Topics in Theatre.

3013. Acting and Makeup. An introduction to the nature, basic requirements and systems of acting. Exercises in characterization, line interpretation, and stage movement, with emphasis on both individual performance and ensemble acting. Includes unit in stage makeup. (Spring, odd years)

3023. Directing. A study of the theory and practice of directing the live stage play. Opportunity for selecting, casting, rehearsing, and staging a play for public performance. Prerequisite: THE 2013 and 3013 or permission of instructor. (Spring, even years)

3123. Survey of Drama. Reading and analysis of selected plays from ancient to contemporary times. Attention also given to major documents in dramatic theory and criticism from Aristotle to the present.

3213. Intermediate Acting. The study of Stanislavski and the method. Emphasis on characterization, emotional recall, and areas of concentration. The course will include a comparative analysis with the method and other theories of acting.

3243. Dramatic Literature. The study of plays as works of literature. Drawing from the Ancient Greeks to present day, the plays are analyzed by structure, theme, character development, and relevance to society. They are also analyzed by their relevance and characteristics to literary movements and their similarities and differences to other works written during the same period.

4013. Advanced Acting. Designed to develop the powers of observation and concentration in the advanced actor and to provide opportunity for intensive exploration of both representational and presentational styles of acting in period and modern formats. Prerequisite: THE 3013 or instructor's permission. (Spring, even years)

4023. Scene and Lighting Design. A practical study of the theories and techniques of theatrical scene and lighting design executed through a series of design assignments. Prerequisite: THE 1012, 1512, and 1612 or instructor's permission. (As needed)

4033. Theatre Management Seminar. A study of the control, direction, and handling of all commercial aspects of a theatre season of productions. Includes play selection, budget preparation and control, purchasing, advertising and publicity, ticket sales, and house manage-

ment. Practical experience in the management operations of the Lambuth Theatre. (As needed)

4103. Playwriting. A course designed to teach the student the basic elements of plot, theme, structure, and character development in the writing of plays. In addition to studying the structure of plays, the student will write a one-act play.

4123. Stagecraft and Construction III. A practical study of backstage productional organization and activity. Emphasis on the physical theatre, costume design and construction. Application in constructing for a major production.

4133. Stagecraft and Construction IV. A practical study of backstage productional organization and activity. Emphasis on the physical theatre and technical management in the production areas. Application in managing for a major production.

4301. Performance. May be taken for credit each semester. The student will earn credit for working on productions.

4501-3. Independent Projects. A course in which the student selects and completes a project in any area of his/her interest under the direction of at least one member of the theatre faculty. Written proposals must meet institutional requirements and have appropriate approval. May repeat for a maximum of seven credits.

4701-4. Special Topics in Theatre.

4922. Exit Project. A practical project or internship in an on-campus or off-campus theatre setting. Student must be at least a second semester junior to apply for his/her exit project and will normally complete the project during the senior year. This requirement is viewed by the Theatre faculty as a culminating experience.

School of Education

Education

Associate Professor: McDonald
Assistant Professors: Chapman, Cherry, Dennis,
Instructors: Sadowski

The School of Education prepares students for a future of action, community, and engagement in their professional teaching careers. Areas of certification in the School of Education include Art, Music, and Physical Education (K-12), Elementary Education (K-6) and(K-8), Special Education: Modified and Comprehensive Programs (K-12), and Biology, Business Education, Business Technology, Chemistry, English, History, and Mathematics (7-12). A student may major in Communication Disorders which will lead to graduate study in speech and language therapy. Licensure candidates in elementary and special education may earn the bachelor of science degree. Licensure candidates in secondary education may earn the bachelor of arts or bachelor of science degree. All certification programs are approved for licensure in the State of Tennessee. The State of Tennessee licensure requirements are reciprocal to other states.

More information regarding the status of Lambuth's teacher preparation program,

including pass rates for the Praxis, can be found at this website: https://www.k-12.state.tn.us/titleii or by calling 731-425-3388.

The Teacher Education Program

The Teacher Education Program is designed to produce competent teachers for programs in elementary, middle grades, secondary, and special education. Because recent research has highlighted the centrality of the teacher in determining the quality of instruction in the classroom and the quality of instruction with the amount that students learn, priorities of this program are to transmit the knowledge, values, and skills necessary to place more effective teachers in classrooms. The program includes knowledge of values, content, and skills which students will need if they are to live socially rewarding, satisfying, and productive lives.

Each major requires successful completion of three groups of courses: I. General Education Requirements (Lambuth Core); II. Required Content Major courses; and III. Professional Education Core requirements. The courses included in the Professional Education Core constitute the student's minor required for graduation from the university.

If, for any reason, a student withdraws from or elects not to enroll in the student teaching experience required for licensure, that student must complete the Professional Education Core to fulfill the requirements for the Professional Education minor at Lambuth University. There is no other education minor available at the university.

Admission to the Teacher Education Program

Students desiring a license to teach must be accepted into the Teacher Education Program before enrolling in any restricted methods courses in the teacher preparation sequence. Acceptance is required one semester prior to anticipated enrollment in methods courses or second semester of the sophomore year. The Title II Institutional Report for Lambuth University lists the following pass rates for the teacher certification examination: professional knowledge, academic content, and summary total. If approved, students are expected to enter a planned sequence of courses and follow them to completion.

To be considered for the Teacher Education Program (TEP), all of the following requirements must be met and submitted to the Head of the School of Education for presentation to the Teacher Education Committee (TEC):

1. An enhanced ACT score of 22 or above **OR** combined SAT score of 1020 (Verbal & Math) **OR** the following scores on the state-mandated Pre-Professional Skills Test (PPST): 174-Reading; 173-Math; 173-Writing.
2. Overall GPA of 2.5 or above
3. An average GPA of 2.5 for Foundations of Education (EDU 2523W) and Exceptional Child and School (EDU/PSY 2303).
4. Two written recommendations from Lambuth faculty outside the Department of Education
5. Autobiographical information in narrative form.

6. An interview with the TEC.
7. A completed written application.
8. Approval by TEC.
9. A preliminary portfolio.

Insurance Requirement

All students in education courses requiring observation hours, tutorials, practica, or student-teaching must purchase Student Tennessee Education Association (STEA) personal liability insurance within the first full week of classes. No Lambuth student will be placed in local public schools without this insurance. Prices will vary, and every effort will be made to keep fees reasonable. Exact price will be announced on the first day of each education class.

Admission to Enhanced Student Teaching

Application for Enhanced Student Teaching must be on file in the School of Education Office (College Union 211) at least one semester in advance of the term in which the student expects to take the course. Enhanced Student Teaching will normally be within a 30-mile radius of Jackson. If permission is granted outside the radius, students will be responsible for an additional mileage fee based on miles and rates at the time. Students will not be permitted to work in the same school with a relative or in schools they attended unless a period of 10 years has elapsed since leaving the school. Further, students will not be allowed to enroll in any other course during the student teaching semester.

Before admission to the student teaching semester, the student must have fulfilled the following requirements:

1. Admission to the TEP.
2. Completion of the Lambuth Core and Supplemental Areas.
3. Completion of course work in the major area(s).
4. Completion of Professional Education Requirements with a minimum 3.0 GPA.
5. Senior standing and a minimum cumulative GPA of 2.5.
6. The appropriate sections of the Praxis II series must be passed and the results received prior to student teaching.
7. Submission of preprofessional Portfolio exhibiting mastery of appropriate state-mandated knowledge and skills to the Director of Clinical Experiences.

Recommendation for Licensure

Tennessee state regulations stipulate that the applicant for a professional license must be recommended by the teacher-training institution. The Head of the School of Education is the official designated to recommend students for teacher licensure. Recommendations are given only to those students satisfactorily completing the professional programs as outlined. To receive this recommendation, the applicant must have fulfilled the following requirements:

1. Completion of the curriculum leading to the degree and licensure with a minimum cumulative grade point average of 2.5.
2. A minimum grade point average of 3.0 in Professional Education Requirements, including student teaching.
3. Fulfillment of all special recommendations of the EAC or TEC.
4. Fulfillment of all requirements as set forth in the Lambuth Catalog.
5. Submission of passing scores from the relevant Praxis II exam.

Statement of Outcomes for Students

The School of Education at Lambuth University seeks to prepare its students for licensure by providing a common offering of liberal arts and sciences based upon Christian values reaffirmed by the Wesleyan emphasis on the necessity for academic excellence and authentic faith that issue in the highest standards of personal integrity. Lambuth University strives to be an academic community of free inquiry in which future teachers are encouraged to broaden their perspectives and to reach an understanding of other cultures as they prepare for lives of leadership and service.

Interdisciplinary Studies Major (K-8) and (K-6)

This major is designed for the student who intends to teach in the elementary grades and has special interest in the young child. Courses are intended to provide students with the knowledge related to the physical, intellectual, psychological, and social development of the young child necessary to effectively guide learning. All candidates seeking licensure as of September 1, 2007 will receive the K-6 endorsement.

4733W. The Modern Novel. Selections include novels by Dostoevsky, Camus, Kafka, Hesse, Conrad, Faulkner, and Joyce. Consideration is given to the novel as idea and as form. Prerequisite: ENG 1013/1023. (As needed)

School of Mathematical and Natural Sciences

Environmental Science and Environmental Studies

Associate Professor: Cook

These majors are designed to serve as an interdisciplinary program for the study of the earth's environment. They address environmental issues from natural science, sociological, cultural, and political perspectives. The intent is to give the majors a broad background in the subject area to prepare them for either going directly into a job after graduation or to provide them with a solid background for continuing on to graduate or professional school.

The Environmental Science major is designed for students with a strong background in science and mathematics. The Environmental Studies major is for those students interested in addressing environmental issues from sociological, political, legal or philosophical perspectives. Both majors require coursework in natural science, mathematics, sociology, political science, and philosophy.

Major requirements—Environmental Science

BIO 1314, 1324 General Biology	8 hours
BIO 4014W General Ecology	4 hours
CHM 1314, 1324 General Chemistry	8 hours
CHM 2214 Environmental Chemistry	4 hours
ENV 2054 Intro to the Environment	4 hours
ENV 4803 Environmental Internship	3 hours
ENV 4651 Environmental Seminar	1 hour
MTH 3013 Probability and Statistics	3 hours
PHL 3513W Ethics	3 hours
POL 2213 or 3313W International Relations or International Organizations	3 hours
SOC 2113 Principles of Sociology	3 hours
Plus 3 additional hours in social science from the following list	3 hours
Plus 4 additional hours in natural science from the following list	4 hours
	52 hours

Additional social sciences courses: ECO 2033, POL 2013W, 2213, 3313W, SOC 2123, 2313, 3213.

Additional natural science courses: BIO 2114, 2214, 2414, 3614, CHM 2014, 3124,3314, 4124, PHY 2214, 2224

Minor requirements—Environmental Science

BIO 1314, 1324, 4014W, CHM 1314, 1324, ENV 2054 plus one additional course from either BIO 3614, CHM 3314, 4124, MTH 3013, PHL 3513W, or POL 3313W

Major requirements—Environmental Studies

Plus 12 additional hours in social sciences from the following list ..... 12 hours
40 hours

Additional courses from ECO 2033, POL 2113, 2013W, SOC 2123, 2313, 3213, or 4523W.

Minor requirements—Environmental Studies
BIO 1024 or 1324 or PSC 1024, ENV 2054, POL 2213, 3313W, SOC 2113, plus one additional course from either SOC 4523W or 4543

2054. Introduction to the Environment. (See BIO 2054.)

2701-4. Special Topics in Environmental Science. (As needed)

4651. Seminar in Environmental Studies. A seminar on selected topics in Environmental Studies and Environmental Science. Reports will be presented by participants on current research or on current events related to the discipline. Required of all Environmental Studies and Environmental Science majors for graduation. To be taken second term of the senior year. (Spring)

4701-4. Special Topics in Environmental Science. (As needed)

4801-5. Internship in Environmental Science or Studies. Applied experience off-campus for students in their field of study. Environmental Science majors should obtain internships that involve some laboratory or field experience. Summer internships are desirable. Junior or senior status and approval by supervising faculty member are required.

School of Humanities

Foreign Languages

Associate Professor: Rash
Assistant Professor: Spires

Major Requirements—Foreign Languages: (Bachelor of Arts)

English 3013	3 hours
Philosophy	3 hours
Languages	38 hours
21 hours of one language—French, German, Spanish	
15 hours of a second language—French, German, Spanish	

The major must include 15 hours at the 3000 or 4000 level, nine of which must be taken at Lambuth.

Minor Requirements—French, German, or Spanish ..... 18 hours

The minor must include six hours at the 3000 or 4000 level and must be taken at Lambuth.

The Bachelor of Arts requirement of "successful completion of the second-year sequence of a foreign language" (p. 15) does not imply that a student must take all four elementary and intermediate courses (1013, 1023, 2013, 2023) at Lambuth. Candidates who enter college with credit for two to three years of study of a foreign language in secondary school will normally enroll in the 2013 course of the same language. Students with prior languages in high school must consult with the appropriate foreign language professor prior to enrolling in a foreign language. Any student who has questions about foreign language placement must consult a foreign language professor.

Candidates for the Bachelor of Arts Degree are strongly urged to complete the foreign language requirement without interruption. The first four semesters of foreign language study (1013, 1023, 2013, 2023) must be completed in sequence. Within this sequence, students may not receive credit for a lower level course once they've completed a more advanced course: for example, if a student takes 2013, s/he cannot receive credit for 1023 in any subsequent semester. With the professor's permission, students are permitted to take a lower level course as an audit.

French

1003. Elementary Conversational French. A multimedia approach to the everyday conconversational situations that will be helpful to the beginning speaker in all French speaking countries: greetings, getting information, ordering meals, getting around, etc. An introduction to the French culture through use of the language and study of cultural habits and expectations. Vocabulary building and cultural enrichment through additional activities such as singing French songs and studying French expressions and words used in the English language. Offered as an elective to all students. This course may not be counted toward a foreign language major. (Fall)

1013, 1023. Elementary French I and II. The basic elements of French pronunciation and grammar and various themes of French civilization and culture. Practice in written and oral exercises. Reading of simple French texts. (Fall, Spring)

2013, 2023. Second-Year French I and II. Grammar review with increased use of the spoken language and practice in composition. Continued study of French civilization and culture and reading of selected texts by major authors. Prerequisite: FRN 1023, or placement. (Fall, Spring)

2133W. Survey of French Civilization and Culture. A multimedia approach to a study of the attitudes, emotions, impressions and thought processes of the French people, as expressed in a number of cultural concepts, such as: Intellectuality, Educational System, Youth Culture, Timeposts, Paris versus Provinces, Housing Design, etc. Emphasis will be placed on the relationship of French people and events to the rest of the world and especially to the United States. Does not meet the Foreign Language major's requirements. Prerequisite: ENG 1013/1023. (Fall, Spring)

2701-4. Special Topics in French.

International Studies

Assistant Professor: Mego

The degree in International Studies, in addition to being a sound component in a liberal arts education, will enable students to meet the requirements of leading graduate and law schools, and prepare students for careers in government, research, international organizations, international affairs, and the public and private sectors wherever there is a need for international expertise. The International Studies major provides students with a wide interdisciplinary perspective and broad geographical experience in its courses. The International Studies major is a Bachelor of Arts Degree, which requires the second year of a foreign language (2013 and 2023 in French, German, or Spanish). For those students who are unprepared to take the second year of a foreign language, the two-year sequence (1013, 1023, 2013, and 2023) is required. International Studies majors at Lambuth University are required

to submit an EXIT PORTFOLIO during the latter part of their last semester. This EXIT PORTFOLIO is in lieu of a departmental comprehensive examination. International Studies majors are also required to sit for an EXIT INTERVIEW with faculty members of the International Education Committee before graduation.

REL 3333 Classics of Eastern Thought or
REL 2613 Judaism and Islam ..... 3 hours

Capstone experience: same as for International Studies majors ..... 4-6 hours

Total 19-21 hours

The minor must include six hours at the 3000 or 4000 level and must be taken at Lambuth.

School of Mathematical and Natural Sciences

Mathematical Sciences

Associate Professor: Hakim
Assistant Professors: He, Moss

The School of Mathematical and Natural Sciences offers a major and a minor in Mathematics. Requirements are listed on the next page.

Major Requirements—Mathematics:

Mathematics (2000 level or above and including MTH 2013, 3023, and two from MTH 3033, 4113, 4213, or 4313	33 hours
Physics 3304	4 hours
Philosophy 3753	3 hours
	Total 40 hours

The major must include 15 hours at the 3000 or 4000 level, nine of which must be taken at Lambuth.

Students planning to graduate are strongly urged to read Graduation Requirements A-G found under the description of the Academic Program in this catalog.

Minor Requirements—Mathematics:

Mathematics (Math 2114, 2124, 3023)	11 hours
Mathematics upper division electives (3000 level or above)	7-9 hours
	Total 18-20 hours

No more than two courses may be applied to both the major and minor.

0033. Intermediate Algebra. An introduction to the properties of real and complex numbers, exponents and radicals, one variable equations and inequalities, exponents, logarithms, and functions. Graphing is stressed. Prerequisite: Algebra I in high school. (Non-degree credit. Institutional credit *only.* May not be used for a major, minor, or Lambuth core requirement. May not be taken by students who have successfully completed a higher-level mathematics.) (Each term)

All entering freshmen and certain entering transfer students recommended by the Admissions Committee are subject to placement in MTH 0033 based on ACT Math scores of less than or equal to 22. Students whose scores exceed 22 should enroll in MTH 1113 College Algebra and Trigonometry or MTH 1133 Mathematical Concepts or higher to satisfy the core requirement in mathematics.

1113. College Algebra and Trigonometry. An introduction to circular functions and their graphs, trigonometric functions and their inverses, exponential and logarithmic functions. Prerequisite: Algebra II in high school or MTH 0033. (Each term)

1133. Mathematical Concepts. This course will explore basic logic, truth tables, elementary probability and statistics, exponential functions, financial math and linear programming. Emphasis will be placed on critical thinking and problem solving. Prerequisite: MTH 0033 or placement. (Each term)

2013. Introduction to C++ Programming. An applied course in the programming language C. Language definition structures, data and control structures, run-time considerations, interpretive languages, lexical analysis and parsing. (Fall)

2114. Calculus I. This course begins with a review of 2-D analytic geometry, intuitive approach to the ideas of limit and continuity, the derivative, rules of differentiation, maxima and minima problems, anti-derivatives, and integration by substitution. Prerequisite: Precalculus in high school or MTH 1113. (Fall, Spring)

2124. Calculus II. A continuation of Math 2114. A study of differential and integral calculus of exponential, logarithmic, and trigonometric functions. Special emphasis on techniques of integration and an introduction to parametric equations and polar coordinates. Prerequisite: MTH 1113 and 2114 or the equivalent. (Fall, Spring)

2701-4. Special Topics in Mathematics.

3013. Probability and Statistics. A study of the measures of central tendency, probability, normal distribution, chi-square, correlations, and regression. Prerequisite: MTH 2114. (Fall, odd years)

3023. Linear Algebra. A study of systems of linear equations, matrices, vector spaces, linear mappings, determinants, and quadratics. This course is prerequisite to most advanced mathematics courses. Prerequisite: MTH 2114. (Fall, odd years)

3033. Introduction to Abstract Mathematics. An introduction to set theory, symbolic logic, number theory, functions, relations, and proof techniques. Prerequisite: MTH 2124. (Spring)

3114. Calculus III. A continuation of Math 2124. Indeterminate forms, improper integrals, and infinite series are studied during the first eight weeks. The remainder of the course is concentrated on multivariable differential and integral calculus-partial differentiation, multiple integrals, directional derivatives, line and surface integrals. Prerequisite: MTH 2124. (Fall)

3213. Numerical Methods. Introduces the binary number system, sources of roundoff error in floating-point programming, calculation of functions using power series, methods of determining roots of equations, solutions to simultaneous equations, numerical integration and ordinary differential equations. Computer programs will be used to simplify tedious calculations. Prerequisite: MTH 2124 and CSC 1253. (Spring, even years)

4113. Abstract Algebra. An introduction to modern abstract algebra, groups, rings, fields, and integral domains. Prerequisites: MTH 2124 and 3033. (Fall, even years)

4213. Differential Equations. A study of the theory and methods for solving ordinary total differential equations. Topics include existence and uniqueness theorems, methods for solving first and second order linear differential equations, operator methods, power series solutions, matrix methods and numerical integration. Prerequisite: MTH 2124. (Spring, odd years)

4313. Advanced Real Calculus. Theoretical rather than applied development of calculus. Includes inquiries into the real number system, functions, sequences, limits, continuity, theory of differentiation and integration. Prerequisites: MTH 3033 and 3114. (Spring, odd years)

4501-3. Independent Study in Mathematics.

4701-4. Special Topics in Mathematics. An advanced study of modern topics in mathematics and/or computer science. Prerequisite: Instructor's permission.

Music

Professor: Huneycutt
Associate Professor: Bernhardt
Assistant Professor: Weimer
Instructor: D. Jones

Lambuth offers the Bachelor of Music degree with a major in Music and concentra-

tions in Church Music, Music Education (Instrumental and Vocal), and Performance (Instruments, Organ, Piano, Voice). A Bachelor of Arts degree is also offered with a major in Music and concentrations in Applied Music or Music Educational Studies. Each student should select an area of concentration as early as possible and no later than the beginning of the junior year.

Music major curriculum: 34 hours

MUS 1113, 1123 Music Theory
MUS 1131, 1141 Musicianship Skills
MUS 2113, 2123 Harmony
MUS 2011, 2021 Advanced Sight-Singing & Ear Training
MUS 4022 Form
MUS 2023 Introduction to Music Literature
MUS 3213, 3223W Music History
MUS 2312 Conducting
MUS 2322 Orchestration/Arranging
MUS 1700 series Ensemble (4 hours)

Concentrations:

Note: NASM guidelines specify rough percentage of total 128 hours to be earned in music: performance, church music = 65% (83 hours) and music education = 50% (64 hours).

Performance (Bachelor of Music):

MUS 1851-4 Applied Voice ..... 32 hours
MUS 1800 series Minor Applied Area ..... 2 hours
MUS electives ..... 4 hours
Additional requirements for vocal performance:
GER 1013 Elementary German I ..... 3 hours
FRN 1013 Elementary French I ..... 3 hours
MUS 3223 Diction for Singers ..... 3 hours
total 46 hours plus music major curriculum = 80 hours

Church Music (Bachelor of Music):

MUS 1800 series ..... 26 hours
at least 16 hours in one major area; two hours minimum each of voice, organ, and piano
MUS 3513 Church Music ..... 3 hours
MUS 4423 Vocal and Choral Methods/Conducting ..... 3 hours
MUS 3302 Vocal Pedagogy ..... 2 hours
MUS 4801-3 Internship in Church Music ..... 3 hours
Music electives ..... 9 hours
total 46 hours plus music major curriculum=80 hours

A minor in Religion is strongly recommended.

Music Education-Vocal (Bachelor of Music):

MUS 1851-4 Applied Voice ..... 16 hours
MUS 3003 Elementary Music Education Methods for Musicians ..... 3 hours

MUS 3302 Vocal Pedagogy ..... 2 hours
MUS 4423 Choral Conducting/Methods ..... 3 hours
MUS 2332 Diction for Singers ..... 2 hours
MUS 3452 Music Technology..... 2 hours
EDU 4713 Secondary School Music Methods ..... 3 hours
total 31 hours plus music major curriculum = 65 hours

Music Education-Instrumental (Bachelor of Music):

MUS 1871-4 Applied Instruments ..... 16 hours
MUS 1800 series Minor Applied Area ..... 2 hours
MUS 4203 Marching, Concert & Jazz Band Conducting/Methods ..... 3 hours
MUS 3112 Brass/Percussion Methods ..... 2 hours
MUS 3122 Woodwind Methods ..... 2 hours
MUS 3402 String Methods ..... 2 hours
MUS 3452 Music Technology ..... 2 hours
MUS 3003 Elementary Music Education Methods for Musicians ..... 3 hours
EDU 4713 Secondary School Music Methods ..... 3 hours
total 35 hours plus music major curriculum = 69 hours

Applied Music (Bachelor of Arts):

MUS 1800 series Major Applied Area ..... 12 hours
MUS 1800 series Minor Applied Area ..... 2 hours
MUS 1700 series Ensemble ..... additional 4 hours beyond music curriculum
total 18 hours plus music major curriculum = 52 hours

Music Education Studies (Bachelor of Arts):

MUS 1800 series Major Applied Area ..... 12 hours
MUS 1800 series Minor Applied Area ..... 2 hours
EDU 4713 Secondary School Music Methods ..... 3 hours
MUS 1700 series Ensemble ..... additional 4 hours beyond music curriculum
Plus choice of the following methods courses: ..... 3-4 hours
MUS 3003 Elementary Music Education Methods ..... 3 hours
MUS 3112 Brass/Percussion Methods ..... 2 hours
MUS 3122 Woodwind Methods ..... 2 hours
MUS 3402 String Methods ..... 2 hours
MUS 4423 Vocal/Choral Methods/Conducting ..... 3 hours
MUS 4203 Band Methods ..... 3 hours
total 25 hours plus music major curriculum = 59 hours

The Bachelor of Music degree in Music Education is designed to meet the certification requirements for the State of Tennessee upon completion of the professional education core, supplemental core, and field experience courses prescribed by the School of Education; see the School of Education listings for these requirements. The major in music in the Bachelor of Music and Bachelor of Arts degrees may be adapted to lead toward certification as a director of music in the United Methodist Church.

All music majors are required to pass a piano proficiency examination and will be

required to enroll in applied or group piano until said proficiency is reached. Music majors are required to attend all student and faculty recitals, to appear on student recital at least once each semester when taking applied music for credit, and to give a senior recital. A junior recital is required for the B.M. Performance concentration.

Voice majors are required to participate in the Lambuth Concert Choir and instrumental majors are required to participate in Lambuth Concert Band unless waived by the Chairperson of the Department. Only four hours credit will count toward music core requirements. Keyboard majors are required to accompany as assigned by their instructor.

Applied music instruction in piano, organ, voice and the instruments of the band and orchestra are offered by the department. One hour credit in an area of performance will be given for one thirty-minute lesson per week and a minimum of six hours weekly practice; two hours credit requires one forty-five minute lesson per week and a minimum of twelve hours of weekly practice. Students enrolled in the Bachelor of Music degree program may register for three or four hours credit per semester. Three hours credit requires the equivalent of two thirty-minutes lessons per week with a minimum of fifteen hours of weekly practice plus related work as required by the instructor; four hours credit requires the equivalent of two thirty-minute lessons per week with a minimum of 18-24 hours weekly practice plus related work as required by the instructor.

Music Minor

Music Theory 1113, 1123	6 hours
Conducting 2312	2 hours
Music History 3223W	3 hours
Applied Music	5 hours
Ensemble	2 hours
	total 18 hours

Applied music and ensemble taken beyond the sophomore level will be considered upper division credit. The above outline for the music minor is a prototype and may be adjusted to fit the students' needs.

The minor must include six hours at the 3000 or 4000 level and must be taken at Lambuth.

1113, 1123. Music Theory I and II. Fundamentals of musicianship including sight-singing, ear training, dictation and basic four-part writing. Harmonization of given melodies in major and minor including the use of all chords in diatonic harmony. Three to five periods per week.

1131, 1141. Musicianship Skills. Basic reading and sightsinging. Reading in all keys in both soprano and bass clef with representations of multiple rhythm patterns. Starts with conjunct motion and moves through introduction of accidentals and modulation to representations of intervals within the diatonic scale. Singing and hearing all intervals, triads, and seventh chords as well as playing those chords on the keyboard.

1711. Lambuth Concert Choir. A mixed choral ensemble performing a variety of choral literature. Annual tour and special engagements. Three hours rehearsal per week. One credit each semester. Auditions spring and fall.

1721. Lambuth Singers. A select choral ensemble performing classical chamber literature and vocal jazz. Annual tour and special engagements. Four hours rehearsal per week. May

be repeated for credit. Auditions held fall and spring. Concurrent enrollment in MUS 1711 required.

1731. Lambuth Concert Band. Study and performance of quality band literature. Four hours of rehearsal weekly. Annual tour and special engagements.

1741. Jazz Band. A selected ensemble performing a variety of Big Band literature in jazz and popular styles. Three rehearsals weekly. Annual tour and special engagements. Membership is by audition.

1751. Guitar Ensemble. Study and performance of literature for classical guitar ensemble. May be repeated for credit.

1811-4. Applied Piano.

1831-4. Applied Organ.

1851-4. Applied Voice.

1871-4. Applied Instruments.

1881-4. Classical Guitar. Prerequisite MUS 1951 or previous experience. Permission of instructor required.

1911, 1921. Voice Class. An introduction to vocal production and techniques. Efficient and artistic use of the voice as well as refinement of breath control and enunciation is the goal. A mixed class offers opportunity to contrast problems of men's and women's voices. Primarily for those who have not studied voice previously. Limited enrollment. Meets once a week.

1931, 1941. Group Piano for Proficiency. For those with little or no keyboard experience wishing to meet piano proficiency requirements for the music major. Elementary rhythmic and melodic reading with emphasis upon chords and simple melody and accompaniment style. Meets once per week.

1951. Beginning Class Guitar. For those with little or no guitar experience. Beginning guitar techniques, rhythmic and melodic reading with emphasis on chords. Meets once per week.

2002. Music Appreciation. Introduction to music as an art form from the listener's point of view. Music of various composers, periods, and styles is studied through the use of recordings and class discussions.

2011, 2021. Advanced Sight-Singing and Ear Training. Designed to stress the ability to sing at sight complicated melodic and rhythmic patterns and to take similar patterns from dictation. Emphasis on harmonic dictation as it relates to functional analysis and chord symbols. Prerequisite: MUS 1123 or equivalent.

2023. Introduction to Music Literature. A survey of basic elements and procedures of western art music with an emphasis on the understanding of major historical style periods and a thorough knowledge of representative repertory from those periods.

2113. Harmony I. A study of seventh and ninth chords, the secondary dominant chord group, and modal mixtures. Emphasis on the use of these chords and their function in tonal harmony including modulation. Sight-singing, ear training and keyboard harmony are in-

cluded. Prerequisite: MUS 1123 or equivalent. (Fall)

2123. Harmony II. A study of eleventh and thirteenth chords, the chords of the augmented sixth, secondary subdominants, altered chords, and Neapolitan harmony. Emphasis on the use of these chords and harmonies and of their function in tonal harmony including modulation. Sight-singing, ear training and keyboard harmony. Prerequisite: MUS 2113 or equivalent. (Spring)

2142. 16th Century Counterpoint. A study of the sixteenth-century contrapuntal technique. Prerequisite: MUS 2123. (As needed)

2312. Conducting. Study of basic skills for good choral and instrumental conducting; musical terms and vocabulary necessary for interpretation of scores; laboratory experience in conducting vocal and instrumental ensembles. (Fall, odd years)

2322. Orchestration and Arranging. A study of transposition, range, and tonal color of musical instruments and their application in arranging for various ensembles. Prerequisite: MUS 2123 or equivalent. (Spring, even years)

2332. Diction for Singers. Study of the major singing languages (English, Latin, Italian, German, and French) in terms of pronunciation in musical performance, using the International Phonetic Alphabet. (Fall, odd years)

2701-4. Special Topics in Music.

3003. Elementary Music Education Methods for Musicians. This course is designed to develop music educators who will teach music creatively and with an understanding of child development processes. For music majors only. (Spring, even years)

3013. Music Experiences for Children. Fundamentals of music and the use of recorder and Orff tuned and untuned instruments are combined to provide the future classroom or church school teacher confidence in a musical experience. For non-music majors only. Prerequisite: MUS 2002. (Fall, Summer)

3112. Brass and Percussion Methods and Materials. Students will be required to perform at the beginning level on brass and percussion instruments and to study and demonstrate proper teaching techniques for these instruments. (Fall, even years)

3122. Woodwind Methods and Materials. Students will be required to perform at the beginning level on woodwind instruments and to study and demonstrate proper teaching techniques for these instruments. (Spring, odd years)

3213, 3223W. Music History. Study of music from primitive societies through the early Christian church and further development of western civilization. Special emphasis is placed on the Baroque, Classical, Romantic, and twentieth-century periods. Prerequisite: ENG 1013/1023. (Alternate years)

3302. Vocal Pedagogy. The science and technique of teaching basic vocal production to others. Designed for all involved in teaching any form of vocal music. (Spring, even years)

3402. String Methods. Proficiency-level performance on the orchestral string instruments; study and application of proper classroom teaching techniques for these instruments. (Spring, odd years)

3452. Music Technology. Application of technology in various areas of music performance and teaching. Includes notation/sequencing software; use of traditional office programs in music content area; digital audio recording and editing; music theory and music education applications. (Spring, odd years)

3513. Church Music. The history and the use of church music including hymnology. The course is designed to meet the needs of ministers and those interested as directors of Christian Education or as directors of church music. (Spring, odd years)

4022. Form. A study of compositional procedures from Medieval times to the present. Emphasis on major forms of the past 300 years, such as fugue, sonata, and symphony. Prerequisite: MUS 2123 or equivalent.

4032. Composition. Composition of original works, using standard musical forms, such as song-form, invention, fugue, sonata and symphony. Taught on demand and in individual lessons. (As needed)

4203. Marching, Concert, and Jazz Band Conducting/Methods. Designed specifically for the instrumental music education major. Incorporates study of current marching band rehearsal techniques, instrumental conducting practices, and a survey of jazz band literature and rehearsal techniques. Study of administrative responsibilities of the instrumental music director. Observation hours with local high school programs required. (Fall, even years)

4423. Vocal and Choral Methods and Materials/Conducting. Vocal and choral techniques, choral rehearsal techniques, and choral literature are emphasized. (Fall, even years)

4501-3. Independent Study in Music.

4701-4. Special Topics in Music. Selected topics from the field of music not otherwise included in the departmental curriculum. Topic to be announced each time the course is offered. Permission of instructor required.

4801-3. Internship in Church Music. Guided professional experience for church music majors in a variety of internship positions with cooperating area music ministries, such as ensemble direction, solo performance, accompanying. May be repeated for credit.

School of Humanities

Philosophy

Assistant Professor: Garrett

For the requirements for the Religion and Philosophy major, please see the Religion section on page 108.

Minor Requirements—Philosophy:

Two from Philosophy 2523, 2553, 3403, and 3443	6 hours
Philosophy 3513W	3 hours
Philosophy 4023	3 hours
Philosophy Electives	6 hours

1013. Introduction to Philosophy. Students will engage key philosophical topics in three areas: metaphysics, epistemology and ethics. Questions concerning truth, right and wrong, and the nature of ultimate reality will be explored. (Fall, even years)

1603. Philosophy of Religion. This course considers the reasonableness of belief in the existence of God. Topics include miracles, evil, religious experience, first cause, an ordered universe, and faith and reason. (Fall)

2523. History of Philosophy: Ancient. This course provides a study of the representative philosophers in the West from the Pre-Socratics through Aristotle. Students will pay close attention to the relationship between knowing and reality. (Fall, even years)

2553. History of Philosophy: Medieval. This course involves a survey of Western philosophy from Augustine to just beyond the time of Aquinas. Time will be devoted to the problem of universals. (Spring, odd years)

2613. Studies in Philosophy. Studies of selected individuals, schools of thought, and ideas in philosophy--eastern and western. Specific topics announced each time the course is offered. Prerequisite: permission of the instructor. (As needed)

2701-4. Special Topics in Philosophy. Topics vary. (As needed)

3333. Classics of Eastern Thought. This course emphasizes religious and philosophical principles in the Eastern religions of Hinduism, Buddhism, Taoism, and Confucianism. (See REL 3333) (Spring, odd years)

3403. History of Philosophy: Modern. Starting with Descartes, emphasis will be placed on both the rationalist and empiricist traditions. Hume's epistemological scepticism will be studied in order to briefly showcase Kant's Copernican revolution in epistemology. (Fall,odd)

3443. History of Philosophy: Contemporary. Using Kant as a springboard, this course includes some or all of the following: analytic philosophy, logical positivism, phenomenology, pragmatism, process philosophy, and non-strong foundationalism. (Spring, even years)

3513W. Ethics. This course introduces the ethical position of: Plato, Aristotle, Augustine, Aquinas, Hobbes, Hume, Kant, Mill, Moore, Ayer, and Rawls. The relationship between doing good and belief in God is explored. Prerequisite: ENG 1013 and 1023. (Spring, odd years)

3603W. Aesthetics. Students will ponder the interrelationship between beauty (aesthetics), to truth (epistemology), and the good (ethics). Various philosophical answers will be considered while attending to questions relevant to the art world. Prerequisite: ENG 1013 and 1023. (Fall, even years)

3753. Logic. Students will learn to identify, evaluate, and formulate arguments. Additional attention is given to fallacious reasoning, truth tables, and an introduction to the rules of symbolic logic. (Fall, odd years)

4023. Seminar in Philosophy. This course involved a concentrated, advanced study of philosophers, areas of philosophy (metaphysics, epistemology, ethics, or philosophy of religion), or major works in philosophy. Prerequisites: ENG 1013 and 1023, at least two of the four Hist of Philosophy courses, and PHL 3513W. Permissions of instructor required.

4701-4. Special Topics in Philosophy. Topics vary. (As needed)

School of Social Sciences

Political Science

Associate Professor: Mego
Instructor: Vacca

Lambuth offers the Political Science major with either a Bachelor of Arts or Bachelor of Science degree. The major consists of a concentration in three of the four most common areas of political science: U.S. Government and Law; Comparative Politics; International Relations; and Political Theory, in addition to more intensive, upper division courses, and support courses from outside of Political Science. Students frequently elect to pursue careers in government service (including foreign service), law, or graduate work toward teaching or professional degrees. Many students majoring in political science have law school as a goal. Political Science majors at Lambuth University are required to submit an EXIT PORTFOLIO during the latter part of their last semester. This EXIT PORTFOLIO is in lieu of a departmental comprehensive examination.

Major Requirements—Political Science:

Political Science ..... 30 hours
(including POL 1013; POL 4013; three of the four Political Science sub-discipline surveys: POL 2013W, 2113, 2213, 2313; and 15 elective hours in Political Science)
History 1013 and 1023 OR Economics 2033 and 2043 ..... 6 hours
Sociology 4523W ..... 3 hours
Sociology 4543 or Business 3013 ..... 3 hours

Fifteen of the total 30 hours in Political Science must be upper level courses; nine of these must be at Lambuth.

Minor Requirements—Political Science: (minimum 18 hours)

Political Science ..... 18 hours
(including POL 1013; two of the four Political Science sub-discipline surveys: POL 2013W, 2113, 2213, 2313; and 9 elective hours in Political Science)
Six of the total 18 hours in Political Science must be upper division courses.

Minor Requirements—Legal Studies: (minimum 18 hours)

BUS 4323 Business Law ..... 3 hours
PHL 3513 W Ethics ..... 3 hours
POL 4113 Constitutional Law ..... 3 hours
SOC 3353 Criminal Law ..... 3 hours
Plus two courses from the following: BUS 4313, ECO 2033, 2043, POL 2013W, 2733, or 3313W

The minor must include six hours at the 3000 or 4000 level and must be taken at Lambuth.

This minor places the study of law within the context of a liberal arts education. Admission to law school involves, among other factors, the student's personal academic record in addition to the score earned on the Law School Admissions Test. For those who are successful, fluency in written and oral use of the English language, understanding of Western political, social, and economic institutions, and the ability to think critically and independently are essential. The interdisciplinary approach of this minor is designed to supplement the strong reading and writing skills provided by Lambuth's core requirements. The minor is designed

to provide education, both practical and philosophical, about law and legal culture. It should not be viewed as a preferred avenue for admission to law school.

1013. Introduction to Political Science. The fundamental concepts involved in the scientific study of politics and political activity. The course surveys major issues, methodological approaches, terminology, and career opportunities in the field. (Fall)

2013W. Political Theory. An introduction to the study of political thought including the foundations of conservatism, liberalism, socialism, communism and fascism. The course focuses on basic philosophical questions of politics, power and society. Prerequisite: ENG 1013/1023. (Spring)

2083. Social Geography. (See SOC 2083.)

2113. United States Government and Politics. The basics of U.S. government and democracy: the Constitution, the Bill of Rights, public opinion, public policy, elections and campaigns. (Fall)

2213. International Relations. The major concepts, actors, and issues involved in International Relations emphasizing theories of realism and idealism; nationalism and internationalism; war; international economics; and global concerns. (Fall)

2313. Comparative Politics. The basic concepts involved in Comparative Politics emphasizes the comparison of various governmental arrangements, institutions, political processes, behavior, and public policies in different political systems. (Spring)

2501, 2511. Model United Nations I & II. This is a two semester sequence that prepares students for participation in United Nations simulations by exploring structure and theory of the United nations from the perspective of a delegate/diplomat from a specific country. (Fall, Spring)

2733. Law and the Courts. Examination of the U.S. legal process and courtroom procedure. This course is designed for students interested in law school and may include field work in the Jackson criminal justice system. (As needed)

2701-4. Special Topics in Political Science.

3013. Comparative Government. Comparative studies of politics and institutions in selected regions and countries. Africa, Latin America, Eastern Europe, Russia, Asia, and the Middle East are offered on a rotating basis. This course may be repeated with different course content. (Fall)

3043. International Political Economy. This course is designed to provide a broad base of information and theoretical understanding of the links between politics and economics. The basics of world trade, monetary affairs, foreign investment and the operation of multinational corporations and international economic organizations will be covered. (Fall, odd years)

3123W. Congress and the President. The relationship between the legislative and executive branches in the U.S. government's separation of powers system. Prerequisite: ENG 1013/1023. (As needed)

3213. United States Foreign Policy. Selected problems of U.S. foreign relations in the major regions of the world and the U.S. foreign policy process. (As needed)

3243. Political Behavior. An examination of political attitudes, their formation and effects. Specific topics include political socialization, public opinion, voting behavior, and political party and interest group activity. (As needed)

3313W. International Organization and Law. The role of international organizations in the modern world. Emphasizes the structure and mission of the United Nations, NATO, and other Inter-Governmental Organizations, Non-Governmental Organizations, and International Courts of Justice. Prerequisite: ENG 1013/1023. (Spring, odd years)

3433. Metropolitan Studies. The development and growth of urban areas in terms of land use, political and social organization. The political, economic and social differences among rural, suburban, and urban areas are investigated. (As needed)

4013. Senior Seminar in Political Science. A capstone experience for Political Science majors to review and integrate their academic course work, strengthen their understanding of methodology in the disciplines, and relate their academic preparation to post-graduation goals. (Spring)

4113. Constitutional Law. Examination of the U.S. constitution and Supreme Court, the constraints on judicial power, rulings on civil rights and liberties. (As needed)

4223W. History of Political Thought. A study of normative political philosophy using the classic texts of major political thinkers from ancient times to the present including Plato, Aristotle, Hobbes, Locke, Mill, Marx, etc. Prerequisite: ENG 1013/1023. (Fall, odd years)

4501-3. Independent Study in Political Science. Designed for the advanced student who desires to pursue individual research in a specific area of political science under the supervision of one or more faculty members. Open to the upper division students with instructor's permission.

4701-4. Special Topics in Political Science.

4801-6. Internship I. Content varies. Designed to provide students with applied experience at local offices and agencies in their field of study.

4901-6. Internship II. See Internship I.

Pre-Professional Programs

Students wishing to take courses leading to the ministry, dentistry, engineering, medical technology, law, medicine, nursing, pharmacy, religious education, and other professions may prepare for these professions at Lambuth University. Those students who wish to enter a professional school before graduating from Lambuth may earn a Lambuth degree through the Three-Year Residence Program (see Special Programs). This can be done simultaneously while completing a degree at a professional school. The following are suggested programs and courses:

Pre-engineering

Advisor: Professor R. Barnes

Admission requirements to engineering schools vary and students wishing to

enter such schools are advised to contact the school of their choice for specific details concerning those requirements. Lambuth does not offer a major in engineering, but offers three tracks for students who wish to become engineers. Track One is recommended for students with strong mathematical backgrounds; Track Two is recommended for students who enter Lambuth without sufficient mathematical skill to start at the calculus level; Track Three is recommended for those who wish to earn a Lambuth degree and who may wish to do so through the Three-Year Residence Program.

Track One

First Year:

English 1013, 1023	6 hours
Chemistry 1314, 1324	8 hours
Mathematics 3314, 3013 or 3023 (Fall)	7 hours
Mathematics 3213 or 4213 (Spring)	3 hours
Physics 3304, 3314	8 hours
	32 hours

Second Year:

Mathematics 2013, 3013 or 3023 (Fall)	6 hours

Track Two

First Year:

Mathematics 1113, 2114	7 hours
English 1013, 1023	6 hours
Chemistry 1314, 1324	8 hours
Electives	12 hours
	33 hours

Second Year:

Mathematics 2124, 3013 or 3023	7 hours
Mathematics 2013, 3213 or 4213	6 hours
Physics 3304, 3314	8 hours
Communications 2003	3 hours
English Literature	3 hours
Electives	7 hours
	34 hours

Third Year:

Mathematics 3114, 3013 or 3023	7 hours
Mathematics 3213 or 4213	3 hours
Economics 2043	3 hours
Electives	22 hours
	35 hours

Track Three

Students who wish to earn a Lambuth degree through the Three-Year Residence Program should follow either Track One or Track Two and use their **elective hours** and additional hours, if needed, to **complete Lambuth graduation requirements** (the Lambuth Core, a major and a minor to equal 96 hours). Students following Track Three are **strongly urged to monitor** their progress toward Lambuth graduation requirements through an appropriate advisor.

Health Professions

Advisors: Ashbaugh, Cook, Hawkes, Moeller

Admissions requirements for programs in the health sciences vary considerably among professional schools. Students pursuing pre-professional programs should contact the professional school of their choice for specific details concerning those requirements. At Lambuth University they should consult the Pre-Medical Advisory Committee before formalizing their programs.

Typical admission requirements based on those for the University of Tennessee Center for the Health Sciences are included in the suggested programs on the following pages.

Suggested Program for Pre-Dentistry, Pre-Medicine Pre-Optometry

First Year

Biology 1314, 1324	8 hours
Chemistry 1314, 1324	8 hours
English 1013, 1023	6 hours
Math 2114	4 hours
Computer Info Systems 1503	3 hours
Fitness & Recreation Activities	2 hours
Freshman Seminar 1001	1 hour
	32 hours

Second Year

Chemistry 3214, 3224	8 hours
Literature (writing course)	3 hours
Communications 2003	3 hours
Religion	6 hours
Electives (academic major)	8 hours
Electives (minor)	4 hours
	32 hours

Third Year

Physics 2214, 2224	8 hours
Humanities Elective	3 hours
JRS Interdisciplinary Course	3 hours
Electives (academic major)	12 hours
Electives (minor)	6 hours
	32 hours

Fourth Year

Social Science Elective	3 hours
SRS Interdisciplinary Course	3 hours
Electives (major)	16 hours
Electives (minor)	11 hours
	33 hours

Suggested Program for Pre-Medical Technology

First Year

Biology 1314, 1324	8 hours
Chemistry 1314, 1324	8 hours
English 1013, 1023	6 hours
Math 1113	3 hours
Computer Info Systems	3 hours

Pre-Professional Programs

Freshman Seminar 1001	1 hour
	29 hours

Second Year

Chemistry 3214, 3224	8 hours
Literature	3 hours
Communications 2003	3 hours
Physics 2214, 2224	8 hours
Psychology 2013	3 hours
Sociology 2513	3 hours
	28 hours

In addition to the above courses, the following are required for admission to Professional school programs:

Medical Technology–Biology 2014 and 2024

Students selecting the Lambuth degree option program will select additional courses meeting both Lambuth University and major requirements.

Suggested Program for Pre-Pharmacy (based on University of Tennessee at Memphis Pharm.D. program)*

First Year

Biology 1314, 1324	8 hours
Chemistry 1314, 1324	8 hours
English 1013, 1023	6 hours
Math 1113/2114	3 or 4 hours
General electives	6 hours
Freshman Seminar 1001	1 hour

Chemistry 3214, 3224	8 hours

Biology 2014, 2024 ..... 8 hours
Math 2114 ..... 4 hours
Statistics** ..... 3 hours
Social Science electives ..... 6 hours
Communications 2003 ..... 3 hours
32 hours

Third Year

Chemistry 4124, 4223 ..... 7 hours
Biology 3614 and Immunology ..... 8 hours
Humanities electives ..... 6 hours
Physics I ..... 4 hours
General electives ..... 3 hours
28 hours

*Based on the increased competition and a record number of applications, the UT College of Pharmacy Admissions Committee gives preference to students in a 3+1 program or completing a degree.

**Statistics courses that apply are the following: BUS/ECO 3013, MTH 3013, and SOC 4543.

Suggested Program for Pre-Physical Therapy (based on University of Tennessee at Memphis Doctor of Physical Therapy Program)*

Courses required:

Biology 1314, 1324 ..... 8 hours
Chemistry 1314, 1324 ..... 8 hours
English 1013, 1023 ..... 6 hours
Math 1113 ..... 3 hours
General Psychology** ..... 6 hours
Freshman Seminar 1001 ..... 1 hour
Physics 2214, 2224 ..... 8 hours
Biology 2014, 2024 ..... 8 hours
Statistics † ..... 3 hours
Social Science/Humanities electives ..... 12 hours
Computer Information Systems 1503 ..... 3 hours

*A baccalaureate degree, which includes prerequisite courses, must be completed prior to enrollment.

**Must include General Psychology I and II or General Psychology I and Human Growth and Development.

†Statistic courses that apply are the following: BUS/ECO 3013, MTH 3013, and SOC 4543.

Suggested Program for Pre-Nursing, Cytotechnology, Dental Hygiene and Health Information Management

First Year

Biology 1314, 1324 ..... 8 hours
Chemistry 1314, 1324 ..... 8 hours
English 1013, 1023 ..... 6 hours

Mathematics 1113, 3013	6 hours
Psychology 2013	3 hours
Computer Info Systems 1503	3 hours

Second Year

Biology 2014, 2024, and 3614	12 hours
Nutrition (FCS 1023)	3 hours
Psychology 2023	3 hours
World Literature 2213W	3 hours
Sociology 2113, 2313, 2513	9 hours
Communications 2003	3 hours
	33 hours

In addition, the following courses are required for admission to the professional school programs in:

Cytotechnology: Does not require BIO 2014 and 2024 but does require an additional 14 hours of upper level biology.

Health Information Management: Accounting 2113, 2123, Management 3093, 3243, Mathematics 3013, plus 11 hours of electives.

Pre-law

Admission to law school involves, among other factors, the student's personal academic records in addition to the score earned on the Law School Admissions Test.

Lambuth offers a minor in Legal Studies. Requirements may be found listed under Political Science on page 100.

Law schools do no require any specific major or minor for admission; however, fluency in written and oral use of the English language, understanding of Western political, social and economic institutions, and the ability to think critically and independently are essential.

Pre-ministerial

It is strongly recommended that those students who desire pre-ministerial status should major or minor in religion. For those pre-ministerial students who wish to major in religion, the requirements are found under the Religion curriculum. For pre-ministerial students seeking aid, see Pre-Ministerial Grant under Financial Aid.

(Six hours must be at 3000 or 4000 level and taken at Lambuth. Sociology 4543 may be used as Psychology elective hours. Psychology 3113 and Sociology 4543 are recommended for those seeking graduate study in Psychology or related fields.)

2013. General Psychology. An introduction to the scientific study of the behavior of organisms, focusing on areas such as research methods, biological foundations, cognition, abnormal behavior, social processes and development. (Fall, Spring)

2023. Child and Adolescent Psychology. Study of the development of children's behavior from conception through adolescence, including physical, emotional, cognitive and social development. Such issues as genetic versus environmental influences in development, child-rearing practices and their influence on behavior and stages of development are considered. Emphasis is placed on empirical data and current research in child and adolescent development. (Fall, Spring)

2303. Psychology of Exceptional Children and Individual Differences. (See EDU 2303) (Fall and Spring)

2502-3. Research Practicum in Psychology. Hands-on work on team research projects. Course will provide an overview of the experimental research process and an introduction to specific research techniques in psychology. Topics vary each semester. May be repeated for additional credit. Prerequisite: Psychology major and permission of instructor. (Fall, Spring)

2701-4. Special Topics in Psychology. This course will focus on topics that are not otherwise offered. Topics will be announced each semester.

3113. Experimental Methods. Emphasizes experimental, quasi-experimental, and correlational methods as well as statistical techniques that have been significant in obtaining the basic empirical data of psychology. An independent research project is required. Open to Psychology majors only. Prerequisites: PSY 2013 and SOC 4543. (Fall)

3223. Theories of Personality. A study of personality development in terms of various personality theories, with emphasis on interpersonal relations, social and cultural factors. Prerequisite: PSY 2013 or 2023. (Spring)

3313. Educational Psychology. The application of psychological laws, principles, concepts, and knowledge to the problems of the educational process. Practical applications on an individual basis are required as lab work. Prerequisite: PSY 2013 or 2023. (Fall, Spring)

3323. Introduction to Psychological Assessment. Survey of the development of psychological tests, interpretation of test results, criteria for selection of standardized tests, and the use of psychological tests across various disciplines. Prerequisite: PSY 2013 or 2023. (Spring)

3513. Abnormal Psychology. A systematic study of the classification, symptoms, etiology and treatment method–both traditional and modern–of maladaptive or "psychopathological" behaviors. Psychological, biological and sociocultural theories of abnormal behavior are considered. Emphasis is placed on current empirical research in a sociopsychological framework. Prerequisite: PSY 2013. (Fall)

3613. Social Psychology. Study of the factors which determine the effects of others on the individual's behavior, including attitudes and beliefs. Various theories are considered and used to explain social behavior. Traditional topics as well as those most important in current times are explored. Emphasis is placed on current empirical research. Prerequisite: PSY 2013. (Spring, even years)

3623. Cognition and Learning in Early Childhood. Cognitive development during infancy and the preschool years. Emphasis is placed on its impact on learning and academic success during the school years. (Fall, odd years.)

3753. Cognitive Psychology. An introduction to the study of mental processes. Topics to be covered include attention, learning, memory, language, and complex processes such as decision making. Prerequisite: PSY 2013. (Spring)

3853. Physiological Psychology. An exploration of the relationship between human physiology and behavior. Topics such as sensation, perception, psychopathology, learning, emotions, motivation, consciousness, and motor behavior will be addressed. Prerequisite: PSY 2013, BIO 1014 and 1024 or two equivalent courses in BIO or CHM. (Spring)

4123. History of Psychology. A comprehensive study of the beginnings of science and the historical background of contemporary theories in psychology. The relationship between empirical research and theories is emphasized. Prerequisite: PSY 2013. (Fall)

4213. Clinical Counseling Psychology. A survey of the methods and professions of clinical and counseling psychology with emphasis on counseling techniques. Opportunity is provided for students to experience various counseling interactions. The history of major concepts and current issues of the area are explored as well as clinical and counseling psychology as professions. Prerequisite: PSY 2013 and 3513. (Spring, odd years)

4501-3. Independent Study in Psychology. Designed for the advanced student who desires to pursue individual research in a specific area of psychology. Open only to upper division students.

4652. Senior Seminar in Psychology. An advanced course requiring synthesis and integration of information from previous psychology courses. The course will explore prominent controversies and current issues from major divisions of psychology. Prerequisite: PSY 2013, 3113, senior psychology major or minor status. (Spring)

4701-4. Special Topics in Psychology. Course will focus on important aspects of psychology which are not otherwise offered. Topics will be announced each time the course is offered.

4801-6. Internship I. This course is designed to provide students with applied experience in their field of study. The instructor's permission is required and preparations should be made at least one semester in advance of the actual internship. (As needed)

4901-6. Internship II. See PSY 4801-6, Internship I.

Admissions

Admissions policies, academic standards, and student life are ways Lambuth tries to reflect its purpose and ideals. Therefore, Lambuth University admits students who subscribe to its ideals and objectives and who are qualified by intellect, previous education, emotional and physical health, and character to do college work. Those who, in the judgment of the Admissions Committee, are thus qualified will find a warm welcome at Lambuth. Attendance at Lambuth University is a privilege which carries with it a responsibility to observe the University's regulations and standards.

Admission Requirements

Among applicants meeting the following standards, the Admissions Committee will admit those students who, in its judgement, best fit the Lambuth learning environment. The Admissions Committee has the discretion to admit or deny any qualified student to Lambuth University.

Freshmen. For regular admission to the freshman class, Lambuth requires that a student graduate from an approved secondary school and have a 20 on the ACT (SAT 930, recentered) and a 2.000 overall high school grade point average. Students with a 19 on the ACT (SAT 890, recentered) and a 2.500 overall high school grade point average or an 18 on the ACT (SAT 840, recentered) and a 3.000 high school grade point average may be admitted with permission of the Academic Dean. Applicants may be admitted with a state high school equivalency diploma (minimum score, 45) in lieu of a regular high school diploma. A 45 score on the GED is considered to be a 2.000. Applications not meeting the above standards may be reviewed by the Admissions Committee which may grant special admission after considering test scores, grades, rank in class, school and community activities, and recommendations in its review of applications. It is highly recommended that as many units as possible be taken from the areas of foreign language, history, mathematics, natural science, and English.

Advanced Placement, CLEP, Military, International Baccalaureate, SAM, and other Credit. Entering freshmen who successfully pass Advanced Placement Examinations or College Level Examinations prepared and administered by or under the auspices of the College Entrance Examination Board, or other comparable examinations, may be eligible to receive credit for certain courses. Application for such credit should be made to the Academic Dean by submitting examination scores. A maximum of 32 semester hours may be earned by examination or extra-institutional means. We accept College Level Examination Program (CLEP) test results in various disciplines, which reflect mastery of college level introductory course content. Students meeting the credit granting standard score will earn the number of credits and course exemptions approved by the Academic Dean. CLEP test results must be submitted for course credit prior to junior standing at Lambuth. Transfer students can earn credit through prior CLEP exams if their scores meet Lambuth's

credit granting standards. Military credit (including two P.E. hours for Basic Training) as well as other credit sanctioned by the American Council on Education may be acceptable to Lambuth with appropriate evaluation and approval. Lambuth recognizes the International Baccalaureate as a strong pre-university program and encourages students completing this program to apply to the University. Academic credit will be awarded for scores of five (5) or higher on the higher level examinations. Lambuth does not evaluate prior experiential learning for academic credit. The Skills Assessment Management (SAM) Test is available as a course equivalency for the Computer Information Systems core requirement (pg.16). It is to be taken prior to junior status.

Early Admission Program. An occasional superior student may be eligible for admission to the freshman year of college upon completion of the junior year in high school. To be eligible for such early admission, a student must have the recommendation of the high school principal, a grade point average of at least 3.0, and a 25 or higher composite score on the ACT.

Transfer Students. A student transferring from another institution must present an official transcript of the previous college record(s), and a statement of social standing from the institution last attended. Transfer students will be subject to the same academic regulations as Lambuth students. These regulations apply to transfer work that is acceptable at Lambuth University. Excess quality points earned on work taken elsewhere will not be allowed to make up for a deficiency in quality points on work taken at Lambuth. Students wishing to transfer to Lambuth must be eligible to return to their immediately previous institution and have a 2.00 GPA on all transfer work accepted by Lambuth. Exceptions to this policy may be appealed to the Admissions Committee. Transfer students with fewer than twelve transferable semester hours from an accredited college or university must satisfy Freshmen admission requirements. Course work transferred for credit must be completed at an institution accredited as degree-granting by a regional accrediting body at the time the coursework was completed. Some exceptions are allowable such as foreign institutions and credit recommended by the American Council on Education for education in a non-collegiate setting, such as military school, and faculty evaluation of credit earned from a non-degree granting institution accredited within a particular specialty.

International Students. To allow for adequate processing time, it is suggested that international students apply by May 1. Applicants whose native language is not English need to provide evidence of English proficiency. This may be done in one of the following ways:

1. Results of the Test of English as a Foreign Language (TOEFL). If you cannot locate a testing center in your country which administers the TOEFL, you may contact the Educational Testing Service, Princeton, New Jersey 08540, U.S.A.

(or)

2. Results of the American College Testing Program (ACT). Contact: ACT, P.O. Box 414, Iowa City, Iowa 52243, U.S.A.

(or)

3. Results of the Scholastic Aptitude Test (SAT). Contact: College Entrance Examination Board, Box 592, Princeton, New Jersey, 08540, U.S.A.

Other approved English proficiency tests may be considered.

International transcripts must be officially evaluated in english at the expense of the student. One of the following agencies must be used: International Educational Services, World Educational Services, and University of Miami Academic Credential Evaluation. All previous college-level work must be evaluated prior to acceptance. Any falsification of document will result in exclusion from Lambuth. International students must also submit an original, official bank letter which indicates the ability to pay required educational expenses.

Special Students. Persons who have not fulfilled admission requirements or who do not seek academic credit toward a degree at Lambuth may apply to be admitted as special students. Appropriate information about this status may be obtained from the Office of Admissions. If a special student desires to become a degree candidate, he/she must make application to the Admissions Committee for change of status. Special students are not eligible for some forms of financial aid normally available to degree seeking students.

High School Students. A limited number of high school students may enroll for college credit courses at Lambuth. To be admitted to such courses, a high school student must have earned at least a "B" average or its equivalent, must have the recommendation of the high school principal or guidance counselor and must have the permission of parents or guardians. Credits and grades earned by these students will be considered valid college work upon the student's graduation from high school.

Home-schooled students. Lambuth welcomes applications from home-schooled students. Those wishing initial college entry at the University should contact the Office of Admissions for appropriate information concerning their application procedures.

Disability Policy. Lambuth University is an independent, non-profit, undergraduate, church-related institution which does not discriminate on the basis of disability in the provision of educational services. Although Lambuth does not provide separate programs for students with disabilities, accommodations for class presentation, evaluation, and access will be determined on a case-by-case basis once the student has disclosed a disability and appropriate documentation supporting the request for the accommodations has been provided to the University.

All students, regardless of disability, must meet the same admission and graduation requirements.

Admission Procedure

All students should apply for admission as far in advance of the opening of the University as practicable, particularly if housing accommodations on the campus are desired. It is not necessary to have finished high school before making application for admission to Lambuth; a transcript showing credit earned for six or more semesters may be followed later by a supplementary transcript showing the completion of the work. Final approval of any application is contingent upon graduation from secondary school except for those students eligible for admission under the early admission programs. Intentional falsification of any information will result in exclusion from Lambuth. Students admitted to Lambuth will have grades and credits withheld and will not be permitted future enrollment until all materials required for admission and registration are on file in the Registrar's Office.

For Freshmen.

1. Complete application form and return it with $25.00 evaluation fee (non-refundable and credited toward tuition) to the Office of Admissions.

2. Have official high school transcripts sent to the Office of Admissions.

3. Have official ACT or SAT scores sent to Office of Admissions.

4. Submit a personal essay, preferably one page in length, typed and double-spaced.

For Transfer Students.

1. Complete application form and return it with $25.00 evaluation fee (non-refundable and credited toward tuition) to the Office of Admissions.

2. Have official transcript from each college previously attended sent to the Office of Admissions.

3. Have Transfer Student Evaluation Form (available at Lambuth Office of Admissions) completed by Dean of Students at last institution attended.

4. Submit a personal essay, preferably one page in length, typed and double-spaced.

For Former Students: Readmission.

Former students of Lambuth must apply for readmission through the Office of the Registrar. This application will request current information about the student and an account of educational experiences during the absence from Lambuth. Students who have been dismissed for academic reasons must contact the Dean of Records to arrange for readmission. Student requests for readmission will be appropriately reviewed, and the University has the discretion to readmit or deny readmission to any qualified student.

Tennessee Immunization Statute.

Tennessee State Law states that effective July 1, 1998, proof of immunization with two doses of Measles, Mumps and Rubella vaccines, administered on or after the first birthday, will be required for admission into all universities and colleges with

an enrollment of greater than two hundred students. Further information relative to this law can be found in the Lambuth Student Handbook.

Advising.
Academic advising is essential in planning a course of study at Lambuth and in assuring that a student's academic career stays on track through graduation. Students should consult with their advisor about course registration and all course changes.

Financial Information

Lambuth strives to keep the cost of a college education within reach of every man and woman. The Director of Financial Aid is available to advise students regarding their financial situations. Charges listed are for the regular fall or spring term for the 2005-2006 university year. The University reserves the privilege of changing any or all charges at the beginning of the term if necessary to meet budget requirements.

Payments

Entering students planning to enroll and reside on campus are required to pay a room deposit of $100.00. Entering students who are approved to reside off-campus are required to pay a class reservation fee of $100.00. Requests for specific residence halls, rooms, and roommates are granted according to the date the room deposit is received. If the deposit is not received by May 1, the University cannot guarantee that space is available. Entering students not residing on campus are required to submit a $25.00 class reservation fee. All returning students planning to reside on campus are required to pay an advance room deposit of $100.00. These payments will be credited to the students' accounts. No scholarship, loan, or other award may be applied against the advance payment.

Full payment of tuition, room, board, fees and other charges will be required before classes begin each semester. The cost of an education at Lambuth is of concern to students, their families, and to the University. For students who cannot afford to pay in full, Lambuth will offer a Deferred Payment Plan to assist students in financial planning. Visa, Mastercard, American Express, and Discover are accepted for payment up to the approved limit for charges to these accounts. The four-payment deferred plan will be calculated as follows:*

1st Payment—One fourth of balance must be paid on or before the date designated at pre-registration in order to retain pre-registered classes, or on the day of registration for each semester.

2nd Payment—	September 20	Fall semester
	February 7	Spring semester
3rd Payment—	October 18	Fall semester
	March 7	Spring semester
4th Payment—	November 22	Fall semester
	April 4	Spring semester

Fall 2005 prepayments must be made by August 3, 2005.

Lambuth will apply a monthly service fee of 1% to the total outstanding balance on

the account. A student must settle his or her account for the current and/or any previous semester including charges accumulated during the present term of enrollment before a grade report, transcript or diploma can be released, and before being eligible to re-enroll for a subsequent semester.

All student accounts with a credit balance will be reviewed for accuracy by the Business Office and the Office of Scholarships and Financial Aid on a weekly basis. Checks in the amount of the credit balance will be issued unless the credit results from institutional financial aid being applied to the account. Credit balances made up of institutional financial aid have no cash value and no check will be issued. Checks will be processed on Tuesdays and Thursdays and will be available for pickup in the Business Office. Any student who wishes to maintain a credit balance on his or her account is asked to notify the Business Office in writing. At the close of the academic year all verified credit balances not resulting from institutional financial aid will be refunded to students.

It is the student's responsibility to make arrangements for all financial aid, outside scholarships, loan, and other payment plans prior to the beginning of the semester. All pending financial aid approved by the Director of Financial Aid will be considered, excluding work study.

Refunds

When a student in receipt of Federal Student Aid withdraws from the University, a Return of Title IV Funds calculation will be performed in accordance with Federal Student Aid regulations. Students will be notified in writing of any amounts of aid that must be returned to either the United States Department of Education or student lenders, and whether these funds are to be returned by Lambuth, the student or both parties. The written notification will delineate all disbursed aid, as well as information about pending aid to be disbursed, if applicable, to that student. Students with pending aid may be required to provide a written response to the Office of Financial Aid within a time frame prescribed by Federal Student Aid regulations.

It is important to note that the Return of Title IV Funds calculation may result in a balance owed by the student to the Institution, the Department of Education or both. Students who do not comply with return of funds as outlined by regulations render themselves ineligible for student financial aid until compliance is met.

At the end of each semester, students in receipt of Federal Student Aid who received a grade point average of 0.000 for the semester but who did not officially withdraw from the University will be subject to a Return of Title IV Funds calculation. The Office of Scholarships and Financial Aid will determine the last date of attendance for the student, if possible (if not known, the 50% point of the semester is assumed by law), and the required calculation will be performed as outlined above.

Once a return of Title IV Funds calculation has been made, or if a student withdraws and is not a Federal Aid recipient, the Lambuth University refund policy on refund of charges and institutional aid will be applied as follows:

Institutional Policy

Period of Enrollment	Percent of Tuition to be Refunded
Within one week	90%
Within two weeks	70%
Within three weeks	40%
Within four weeks	20%
Over four weeks	No Refund

May and summer term institutional refunds will be prorated on a similar basis depending on the length of the term. A refund schedule is published for these terms.

Room charges and special fees are not refundable except in the case of those called into military duty. Charges for meals are refundable on a prorated basis through the fourth week of classes. Periods of enrollment are based upon the day of registration and the day of formal withdrawal as recorded in the Office of the Registrar. Students dismissed for academic or disciplinary reasons are not entitled to refunds, except as required by Federal Regulations for students who receive federal student aid.

Tuition and Fees

The tuition charge is $7,500.00 per semester for students enrolling for 12-17 credit hours. Students registering for fewer than 12 credit hours will pay $625.00 per hour. Students registering for more than 17 credit hours will pay $313.00 per hour above 17 except when the overload is caused by university honors/departmental honors, performance in theatre, and music ensembles, such as band or choir. The tuition charge for Adult Learners enrolling for 12-17 credit hours will be $7,000.00. Adult Learners registering for less than 12 hours will pay $469.00 per hour.

Resources including special counseling, the Academic Support Center, Career Planning and Testing Services and tutorial services are available at no extra charge to all students registered for 12 or more hours. Students registered for fewer than 12 hours are eligible for all religious activities; library services; admission to home athletic contests; fine arts programs (excluding Lambuth Theater productions) and social events; use of University athletic facilities at regularly scheduled periods.

Other resources are available at minimum additional charges. Information concerning these services and charges is available in the Office of Student Development.

Room and Board

The charges for room and board are listed in the summary of expenses for residence hall students. The University does not permit refunds on room and board due to absences, except in cases as set forth in the paragraph on refunds. Board charges include 20 meals per week. Most of the rooms in Harris, Spangler, and Carney-Johnston Halls have connecting baths for each two rooms, built-in wardrobes,

chests, study desks, beds, chairs, mattresses, etc. A few rooms have private baths with all other furnishings listed above. Each room in Sprague is furnished with two desks, chairs, a chest of drawers, twin beds, mattresses and two closets. Students furnish bed-linens, pillows, blankets, mattress covers, soap, towels, rugs and draperies as may be desired by the individual student. Please refer to page 158 regarding campus housing requirements.

Financial Aid

Lambuth offers a comprehensive program of financial assistance; funds are available from the Institution, the United States Department of Education, and various state programs. These programs are described in detail in the following pages. All students who seek financial assistance are encouraged to file the free application for Federal Student Aid (FAFSA).

Applicants for any financial aid must be accepted for admission to Lambuth before any award may be discussed or offered. Continuing Lambuth students must be in good standing in order to be considered for all student aid. In order to receive priority consideration for financial assistance, students should apply for both Federal aid and Lambuth aid by February 15. Priority in awarding is given to students who are accepted for admission and have turned in all documents by February 15. (For all students starting in the spring semester, all documents should be turned in by November 15.)

Satisfactory Academic Progress. The United States Department of Education requires students receiving federal assistance to make academic progress toward graduation. A student must make progress toward a degree both in the number of hours earned in any term as well as cumulative hours earned for all terms and grade point average in any term or cumulative grade point average for all terms. The following quantitative and qualitative measures are used to determine satisfactory progress at Lambuth University. Academic progress is reviewed at the close of each regular semester and at the conclusion of all May/Summer terms.

Years	Hours Earned/ Attempted	Minimum Hours Attempted	Semester G.P.A.	Cumulative G.P.A.
1	24/27	0-27	1.75	1.75
2	50/59	28-59	1.90	1.90
3	76/91	60-91	2.00	2.00
4	104/128	92-128	2.00	2.00
5	128/160	129-160	2.00	2.00

Adjustments to the above time frames are made for part-time students.

Students receiving federal assistance may receive such aid up to 160 credit hours attempted. Students who have attempted in excess of 160 credit hours have their financial aid suspended automatically. Students who receive all F's or W's for a semester are suspended from further financial aid unless extenuating circumstances are documented and accepted by the Lambuth Director of Financial Aid.

Any appeal of a Financial Aid Suspension, for whatever reason, must be made in writing to the Lambuth Director of Financial Aid.

Also, any student placed on Academic Suspension is automatically placed on Financial Aid Suspension. Appeals of academic suspension must be made in writing to the Academic Dean. If the student is readmitted to the University, a written financial aid appeal must be submitted to the Director of Financial Aid.

Please note that in order to establish and maintain eligibility for federal aid, a student must attend **all** classes for which they registered; attendance must continue though the entire semester.

How to Apply for Federal Student Aid

Complete the Free Application for Federal Student Aid (FAFSA) as soon after January 1 as possible. This application determines eligibility for all federal programs including student and parent loans. Be sure Lambuth is listed as the first school on the FAFSA.

Students are encouraged to submit their FAFSA's electronically at www.fafsa.ed.gov.

The Office of Scholarships and Financial Aid is required by law to obtain IRS tax return forms and other documents from many students and families. Please provide these only when requested to do so by the Office of Scholarships and Financial Aid. If these forms are requested, no financial aid may be awarded until the Office of Scholarships and Financial Aid has received and processed them. Students who turn in documents after November 1 for the Fall semester or after March 1 for the Spring semester cannot be assured of receiving financial assistance for that semester.

STUDENTS MUST SUBMIT A NEW FAFSA EACH ACADEMIC YEAR TO BE RECONSIDERED FOR AID THE NEXT YEAR.

How to Apply for Lambuth Scholarships/Grants

Returning students should complete an Application for Institutional Aid by February 15 each year. Incoming freshmen and transfers accepted for admission to Lambuth by our priority scholarship deadline of December 1 or the deadline of March 15 will be considered for institutional aid based upon the information in their admissions file.

RETURNING STUDENTS MUST SUBMIT A NEW INSTITUTIONAL AID APPLICATION BY FEBRUARY 15 EACH YEAR TO BE RECONSIDERED FOR AID THE NEXT YEAR.

Federal/State Grants

Any student accepted for admission to Lambuth may be considered for institutional aid. However, in order to be considered for Federal and state student aid, individuals must have provided Lambuth with either a certified high school diploma or a passing GED score.

Federal Pell Grant. These grants range from $400 to $4,050 for the 2005-2006 academic year for those who qualify. Use the FAFSAto apply.

Federal Supplemental Grant (SEOG). Awarded under a federal aid program, this

grant is available to students with exceptional financial need who are eligible for a Pell Grant. Early application is necessary to receive consideration for this grant, as the priority date for completing files is February 15.

Tennessee Student Assistance Award (TSAA). Tennessee residents apply for this grant when applying for a Federal Pell Grant. Awards vary and may be as high as $4,644 for full-time students, but are also available for part-time students. The state's established deadline is May 1; however, it is best to apply by February 15 to receive consideration for this grant as funds are expended well before the deadline. The FAFSA is the application for these funds.

Tennessee Education Lottery Scholarships. Lambuth University will participate in the four scholarships sponsored by the State of Tennessee for which our institution is eligible. These programs are: Tennessee Hope Scholarship, Tennessee Hope Scholarship Need BAsed Supplemental Award, General Assembly Merit Award and Hope Access Grant. Eligibility for these programs is outlined by State law and began with the Fall semester of 2004. Final regulations are available from TSAC. Lambuth will provide eligible students with full policies and procedures before funds are disbursed. All recipients will be required to complete a Scholarship Recipient Form before funds will be disbursed to ensure full dissemination of information.

Lambuth Scholarships/Grants

Lambuth Grants may not be combined to exceed the cost of tuition. These awards may not be combined with other aid funded by Lambuth unless specified in writing by the Lambuth University Director of Financial Aid. Scholarships funded by Lambuth may not be combined to exceed the cost of tuition and are generally for full-time students only. Scholarship eligibility is reviewed at the close of each semester when grades are received from the Office of the Registrar. Appeals procedures are outlined in each letter. Upon suspension, the student is rendered permanently ineligible unless appeal procedures are followed.

Presidential Scholarship. Scholarships equal to tuition are offered to first time, incoming freshmen who have earned a minimum high school grade point average of 3.75 and a minimum 30 ACT score SAT of 1300. These are four year awards. Applicants must be accepted for admission by March 15 to be considered. A maximum of 17 hours of tuition charges per semester is covered by the scholarship. Students must maintain a 3.25 grade point average.

Partners in Excellence/Top 10 Scholars. Scholarships equal to tuition are offered to first time, incoming freshmen who graduate in the numeric top 10 of their high school class and who exhibit an ACT score of 24 or SAT of 1100 and a 3.75 grade point average. Class size may affect eligibility; Lambuth Admission will determine eligibility. These are four year awards and students must maintain a 3.00 grade point average to retain this scholarship.

Hyde Scholarships. The J. R. Hyde Foundation has established a limited number of scholarships to be awarded for four years to qualified students of merit. These scholarships are based upon academic achievement, leadership and test scores. Recommendations for the Hyde Scholars are made from the pool of Presidential Scholars. Selection, approval of students, and amounts of the award are made by the Hyde Foundation. Students must be accepted for admission by February 1 to be considered. Students must also submit a supplemental form and complete an on-campus interview to be considered. Students must maintain a 3.25 grade point average to retain this scholarship.

Dean's Scholarship. Scholarships of $10,000 per year are awarded to incoming freshmen with a minimum high school grade point average of 3.5 and a minimum 28 ACT score or SAT of 1250. These are four year awards, but do not increase annually. Students must maintain a 3.0 grade point average to retain this scholarship.

Trustee Scholars. Scholarships of $7,500 per year are offered to first time, incoming freshmen who exhibit an ACT score of 26 or SAT of 1200 and a 3.40 grade point average. These are four year awards and students must maintain a 3.00 grade point average to retain this scholarship.

Lambuth TELS Matching Grant. Grants of $3,000 per year are offered to first time, incoming freshmen admitted to the University who qualify for the Tennessee Hope Scholarship but who do not qualify for Lambuth academic awards. These are four year awards and students must maintain a 3.00 grade point average to retain this grant.

Faculty Select Scholarships. Awards of varying amounts may be offered to first time, incoming freshmen who qualify for Lambuth academic awards. Students must participate in an on-campus interview with a representative(s) of the area of study. Final amounts will be based upon the faculty recommendation, the student's institutional aid package and federal eligibility criteria.

Adult Learner Discount. Students who have been out of high school for a minimum of eight years before enrolling at Lambuth are eligible to apply. This discount cannot be combined with other Lambuth aid, but can be combined with federal and state student aid.

Alumni Legacy Award. Recognizing the history of Lambuth in the wider community, Lambuth offers the Alumni Legacy Award beginning with the incoming freshman class of 2005. This $2,000 award recognizes children and grandchildren of Lambuth alumni and may be combined up to the cost of tuition with other Lambuth scholarships that have been awarded to the student.

Alumni Grants. The University offers grants to alumni who have graduated from Lambuth. The amount of the grant is equal to one-half of tuition for the term in which the alumni is enrolled. Effective July 1, 2001 to qualify for the Alumni Grant, the alumni must have received their degree at least twelve months prior to applying for the grant.

Performance Awards. Lambuth Offers a limited number of scholarships for students participating in extracurricular university sponsored organizations. Fine Arts scholarships are available in theatre, choir and band. Athletic scholarships are available for all varsity sports, cheerleading and dance team. Auditions and

tryouts are required and final award amount will be determined by the Office of Enrollment.

Grants for Transfer Students

Phi Theta Kappa Scholarships. Scholarships have been designated for Phi Theta Kappa members who have graduated with an associates degree or have completed 60 semester hours of earned transferable credit. The student must be in good standing with Phi Theta Kappa and must submit a letter of recommendation from the Phi Theta Kappa campus advisor. The scholarship is equal to $10,000 per academic year and is renewable for the second year. These scholarships are for full-time students and may not be combined with the adult learner rate. A student must first be admitted to Lambuth to be eligible for this scholarship. Students receiving this award must maintain a 3.30 grade point average.

Associates Degree Scholarships. Scholarships have been designated for transfer students who have received their Associate's Degree and who transfer directly to Lambuth. The scholarship amount is based upon the student's transferable grade point average and is renewable until the student completes his/her Lambuth degree as long as satisfactory progress standards, scholarship standards and full-time enrollment at Lambuth is maintained. These scholarships are for full-time students and may not be combined with any other Lambuth aid nor may they be combined with the Adult Learner Rate. These awards do not increase annually and are as follows: 3.75+ transferable GPA, $10,000 annually; 3.50 transferable GPA, $8,000 annually; 3.00 transferable GPA $6,000 annually. Also, students who transfer and maintain eligibility for the Tennessee Hope Scholarship will receive an additional matching grant of $3,000. The total of all institutional scholarships, when combined, may not exceed the cost of tuition.

Transfer Scholarships. A limited number of scholarships have been designated for transfer students who have earned at least 12 semester hours. The scholarship amount is based upon the transfer grade point average and is renewable for the second year; amounts vary. These scholarships are for full-time students and may not be combined with any other Lambuth University funded aid, nor may they be combined with the adult learner rate. A student must first be admitted to Lambuth to be eligible for this scholarship. These awards do not increase annually.

Grants for United Methodist Students

Church Membership Grant. Lambuth University is supported in part by contributions from churches of the Memphis Annual Conference of the United Methodist Church. Any student who has been a member of the United Methodist Church for a minimum of one year prior to admission at Lambuth University will be awarded a Church Membership Grant of $1,000 annually while remaining a full- time student at Lambuth. Full-time students must be certified by their United Methodist Pastor.

The United Methodist Youth Leadership Award. In order to further its intrinsic bond with the United Methodist Church, Lambuth offers the United Methodist Youth Leadership Award. This award recognizes outstanding youth leadership within the Methodist Church and contributions to the community. It is designed to

provide opportunities for students desiring to continue their church leadership at Lambuth University. The value of the award is up to half tuition, and may be combined up to the cost of tuition with other Lambuth scholarships that have been awarded to the nominee. Nominations may be submitted by a pastor, youth pastor, or by the church's administrative council. Submissions should be made in the form of a letter of nomination that explains how the nominee exhibits the attributes for which the award has been created. Nominees must be a member of the United Methodist Church and will participate in an interview process to be held on the Lambuth campus.

Grants to Dependents of Ministers. A grant of up to 50% of tuition charges is given to the dependent spouse and/or children of full-time appointed United Methodist ministers when combined with the Church Membership Grant and other institutional aid. This grant may not be combined with other Lambuth funded aid without the written approval of the Lambuth University Director of Financial Aid.

United Methodist Scholarship. This scholarship is usually awarded in the amount of $500 per year. Scholarships are granted for one year; however, one may apply for renewal each year. One must be a full-time degree candidate at Lambuth University, an active, full member of the United Methodist Church for at least one year, able to establish need for financial aid, and have a grade point average of 3.0 or better during the prior year at Lambuth. The student must have obtained at least sophomore status. Applications will be mailed to current students in March. The application deadline is around April 20.

Pre-Ministerial Grant. Endowed scholarships are available to students who are approved pre-ministerial candidates in the United Methodist Church. Approval is given by the Lambuth University Chaplain after a personal interview. The amount of financial aid varies depending upon individual status. Students in receipt of pre-ministerial scholarships are required to join the University vocation group and participate in certain other activities. Contact the Office of Scholarships and Financial Aid for an application.

The Bishop's Scholarship. The Bishop's Scholarship was established in 1999 for pre-ministerial students who demonstrate a vision for a call into professional ministry in the United Methodist Church. Each year, two full-tuition scholarships are awarded to applicants who meet the criteria and have been recommended by a Review Committee designated by the University.

The applicant must evidence a serious level of discernment toward the "Call of God" in one's life; have a minimum 2.50 GPA and a minimum score of 20 on the ACT; and the applicant must have exhibited an involvement in one's local church and be recommended by his/her pastor.

The recipient must be a full-time student, maintain a minimum 2.50 GPA while enrolled at Lambuth, and be an active participant in the Lambuth Religious Life Program. An on-campus interview is part of the application process.
Students who apply for The Bishop's Scholarship are automatically included in the pre-ministerial organization and must also apply for pre-ministerial status in order

to be considered for The Bishop's Scholarship. All inquires may be made to the University Chaplain. This scholarship does not combine with any other Lambuth funded aid and does not increase annually with tuition increases.

Endowed Heritage Gifts and Grants

Through the generosity of individuals, families, and organizations, Endowed Scholarships have been established over the years in honor of or in memory of those who held a strong desire to be a part of the success of Lambuth University. These endowed funds underwrite many of Lambuth's academic scholarships. These funds are not normally awarded in addition to other Institutional scholarships. Qualifying criteria of these scholarships are located in the Office of Scholarships and Financial Aid as well as in the Office of Development.

Loans

Federal Perkins Loan. The Federal Perkins Loan is funded by the federal government but is administered by Lambuth. Under this loan program, undergraduate students may receive $4000 per year for an aggregate amount of $20,000. Students begin repaying these loans nine months after either completing their education or leaving school. No interest is charged until repayment begins, and then a five percent annual charge is applied to the unpaid balance. Repayment may be extended up to ten years, at not less than $40.00 per month. Loan cancellation and deferment options are available. Each recipient must request an exit interview with the Loan Management Office upon graduation or termination of enrollment at Lambuth.

Federal Stafford Loan and Unsubsidized Stafford Loan. The Federal Stafford Loan Program enables both need-based and higher income students to participate in this program. The government pays the interest on need-based loans; the non need-based loans require the student to pay the interest while in school. The interest rate is set each July 1 for the next year and is a variable rate not to exceed 8.25%. Students may borrow at the following levels:

Freshmen	$2625 per year
Sophomores	$3500 per year
Juniors	$5500 per year
Seniors	$5500 per year

Students begin repaying these loans six months after they graduate, cease at least half-time attendance, or withdraw from school at a payment of at least $50 per month. The Office of Scholarships and Financial Aid will conduct an entrance interview before the student receives their first loan, and an exit interview at the conclusion of the student's enrollment at Lambuth, if the student becomes enrolled for less than half-time, or withdraws.

Federal Parent Loan for Undergraduate Students (PLUS). The Federal PLUS Loan Program is a non-need based source of funds available to the parent of a dependent undergraduate student. Parents may apply to borrow up to the cost of attendance minus financial aid. The interest rate is variable, set each July 1, and is usually around seven to nine percent. The maximum allowed by law is nine percent, but may vary depending on the date of the first loan borrowed.

Beginning with the 2003-2004 year, incoming students meeting specific criteria may be eligible to apply for the Eagle PLUS Loan. Normal PLUS loan criteria apply;however, if a student qualifies for this program and selects edsouth as their lender, Lambuth will pay the interest on the PLUS Loan while the student is in school as long as the student maintains continuous, full-time enrollment at Lambuth University.

Work Programs

Students on one of the two student work programs are paid at the minimum wage rate on a monthly basis. Students whose charges at the University have not been paid in full are strongly encouraged to apply their earnings to their student accounts. Workstudy/Workship awards are not considered a credit at registration as the students are paid only for the hours for which they work.

Federal Work Study Program (FWSP). This is a Federal program that provides part-time jobs for students with financial eligibility as established by the FAFSA. A student is assigned to work a specified number of hours at a campus location—typically five to eight hours per week—and is paid the current federal minimum wage for hours worked on a monthly basis. Priority date for file completion is February 15.

Workship. This program provides part-time employment for students who do not qualify for FWSP. Full-time students with special skills are eligible for employment on a first-come-first-served basis until funds have been expended. Funds are very limited, and the priority date for file completion is February 15

Off-Campus Employment. With a population of over 80,000 in the metropolitan area, Jackson offers a variety of employment opportunities for college students. For information contact the Career Development Center at Lambuth.

Other Federal Programs

Veterans Education Benefits. Lambuth participates in all Veterans Programs. Please consult the nearest Department of Veterans Affairs to determine your eligibility for these programs.

1. Students receiving enrollment verification for Veteran's Benefits will have that verification terminated after failing to meet the minimum standards for good academic standing (academic probation) for two consecutive terms unless mitigating circumstances occur as determined by appropriate Lambuth officials.

2. Students receiving enrollment verification for Veteran's Benefits will have that verification terminated at Lambuth for one regular semester, including summer after a Spring term, following a failed second attempt at ENG 0063 (Writing Skills) should such students be placed in this course. Upon having enrollment verification reinstated after a semester's hiatus, students failing this course after a third attempt will not receive such verification for a period of one full academic year.

3. Students receiving Veteran's Benefits at Lambuth may not receive those benefits for repeating courses previously passed.

4. Veteran's Benefits are considered a resource. If students receiving these benefits are also receiving Federal students aid, these benefits will affect that aid pursuant to Federal regulations.

Student Development

Religious Life

The University encourages students to understand their academic and social life as a reflection of their religious faith. As an institution of the United Methodist Church, Lambuth University provides an opportunity for students to understand the importance of their faith and actions. Under the direction of the Chaplain, students attend worship services on and off-campus and plan other activities which reflect their religious interests and concerns.

The Campus Congregation and Religious Life programs are open to all students. Chapel services for the Lambuth community are held weekly on Tuesdays at 1:00 p.m. Some of the Religious Life organizations active on campus include the Religious Life Council, Fellowship of Christian Athletes, Phi Sigma Eta (women's Christian service organization), a Pre-Ministerial Organization for students interested in church-related vocation, Bible Studies, and Discipleship/ Accountability groups. Other Religious Life activities include retreats, cook-outs, Exploration, Mission trips, and Alternative Spring Break.

Student Organization Space (S.O.S.)

The Student Organization Space (S.O.S. Room) houses the office for the Student Activities Committee. The S.O.S. Room is open to all student organizations to use for meetings, making promotional materials and accessing other student organizational resources. Meeting times must be scheduled through the Office of Student Development. The S.O.S. Room is located on the lower level of the Wilder Student Union.

Student Government Association

Student self-government plays a significant role in shaping the quality of student life at Lambuth University. The Student Government Association represents all segments of the student body and is organized to help formulate and voice student opinion regarding all university policies and to allocate its organization fund to appropriate committees. Participation in this important organization is open to all students through voting in SGA elections, attending Senate meetings, volunteering for one of the many SGA committees, and sharing questions and concerns about issues.

Student Activities Committee

The Student Activities Committee is responsible for creating and implementing a comprehensive student activities program for the entire campus. This committee works with various agents and artists throughout the United States to bring entertainment groups, individual performers, and bands to the campus. The committee plans a variety of activities to involve students in social, cultural, and recreational opportunities. SAC is responsible for the planning and coordination of all the activities during Lambuth's annual Spring Fling week. The committee also sponsors other events such as student coffee nights, a movie-on-the-green film series, bowling nights, and quad picnics and barbecues. Furthermore, SAC remains available for service and support to other organizations and the administration such as providing entertainment during Family Weekend, Homecoming, and Alumni events.

Honor Societies

Alpha Psi Omega. The Chi Sigma Cast is the on-campus affiliate of this national honorary fraternity which promotes excellence in theatre and fellowship among collegiate theatricians. A merit organization, Alpha Psi Omega requires membership to be earned on a point system. Points may be earned in performing, production, and management.

Gamma Beta Phi is an organization that affords college students an opportunity for fraternal association in academic endeavor. Eligibility, which may occur in the freshman year, requires a 3.5 grade point average and, thereafter, requires a 3.25 grade point average.

Omicron Phi Tau is a local honor fraternity organized in 1930. The purpose of this organization is to promote scholarship in the University and to recognize those who have achieved a high degree of scholarship. Eligibility, which occurs in the second term of the junior year and in the senior year, requires an academic average of 3.5. The requirements are in line with national honor fraternities.

Order of Omega is a national leadership honor society for members of Greek-letter social organizations. Membership may be extended to student, faculty, alumni, and honorary individuals. The Pi Theta chapter of Order of Omega requires a minimum cumulative grade point average of 3.0 and a semester grade point average above the cumulative all-Greek grade point average. The objective of Order of Omega is: 1) to recognize those students who have attained a high standard of leadership in inter-Greek activities; 2) to bring together the most representative fraternity and sorority members; and 3) to bring together members of the faculty, alumni, and student members of the institution's fraternities and sororities on a basis of mutual interest, understanding and helpfulness.

Phi Alpha Theta is an international history honor society. The membership of the organization is composed of students and professors who have been elected to membership upon the basis of excellence in the study of history. The objective of Phi Alpha Theta is the promotion of the study of history by the encouragement of

research and the exchange of learning and thought among historians. It seeks to bring students, teachers and writers of history together intellectually and socially.

Psi Chi. This is the national honor society in psychology designed to recognize outstanding psychology majors and minors and provide them with unique professional opportunities. Membership is by invitation based on academic performance. Psi Chi meets in partnership with the Psychology Club.

Special Interest Groups

Clubs and extracurricular organizations are organized for the purpose of promoting, conserving, and strengthening interest within particular fields.

Alpha Omega is a local service fraternity open to all Christian men at Lambuth. The purpose of the organization is to help members grow in their relationships with Christ while developing close relationships with other Christian men and to promote leadership and service among the men at Lambuth. A genuine interest in Christian principles and growth is the primary consideration for membership.

American Chemical Society introduces undergraduate students to the profession of chemistry, to their responsibilities as chemists, and to the benefits of professional association with the American Chemical Society. The program also introduces students to careers in chemistry-related fields and to the practical applications of chemistry. ACS student affiliation is open to any student in good standing enrolled in course work leading to a bachelor's degree in chemistry or a related academic discipline.

Best Buddies matches college students with physically challenged "buddies." The new friends go to the movies and restaurants, plan pizza parties, or attend football and basketball games. As a national organization, the Lambuth University chapter of the Best Buddies program is supported by a local agency.

Black Student Union. The purpose of the organization is to initiate reforms where needed in obliterating discriminating practices, to introduce and display by individual and/or group efforts various aspects of African-American culture and history, and to promote more unity and awareness to issues affecting all Black people. It is also designed to educate others on Black history and create a social environment for minorities.

History Club. The purpose of this group is to make students aware of professional opportunities for those pursuing a degree in History. The club sponsors field trips, hosts speakers, and attends history related conferences. Each semester, students visit local high school classrooms as guest lectures. Membership is open to all interested students.

International Students Association. This is an organization of foreign and American students interested in foreign countries. ISA is open to all students from different countries and cultures, as well as American students with an interest in and knowledge of foreign cultures. The club sponsors various activities to encourage international life on campus. ISA students are available as speakers for community activities and events.

Lambuth Association of Biologists. The purpose of this association is to stimulate students who are interested in the field of Biology to become involved in activities that will better prepare them for their career goals. This purpose will be accomplished by providing opportunities to the students that will inform them and make them better candidates for the career of their choice.

National Student Speech Language Hearing Association is the national organization for master's candidates and undergraduate students interested in the study of normal and disordered human communication behavior. NSSLA membership is open to all undergraduate and graduate speech pathology and audiology students.

Phi Sigma Eta is a local service sorority open to all Christian women at Lambuth. The purpose of the organization is to help members to grow in their relationships with Christ while developing close relationships with other Christian women and to promote leadership and service among the women at Lambuth. A genuine interest in Christian principles and growth is the primary consideration for membership.

Psychology Club. The Lambuth Psychology Club is designed to help psychology students achieve their professional goals by focusing on professional development and service. The Psychology Club takes steps to explore, develop, and achieve career goals through activities such as field trips to psychology-related job sites, meetings with guest psychologists, and participating in the Mid-South Psychology Conference.

Sociology Club. The Sociology Club is interested in the growth and development of sociological inquiry. It is dedicated to the investigation of humankind for the purpose of service. It sponsors opportunities for scholarship, fellowship and service. The Sociology Club is open to anyone with an interest in sociology.

Student Chapter of the American Society of Interior Designers is a student professional chapter of International A.S.I.D. open to both interior design majors and interested students at large.

Student Tennessee Education Association (STEA). The Ruth Marr Chapter of the Student Tennessee Education Association is composed of students interested in becoming teachers. Local membership provides membership in the National Education Association and the Tennessee Education Association.

Greek Organizations

The Panhellenic Council. Three local chapters of National Panhellenic Council (NPC) sororities are chartered at Lambuth. These include Alpha Gamma Delta, Alpha Omicron Pi, and Phi Mu. The Panhellenic Council consists of chapter presidents and representatives from each sorority. The purposes of the Panhellenic Council are to promote positive relations and greater unity among sororities, and to establish and administer policies and programs for membership recruitment, academic achievement, and community service. Also, the historically African-American sorority Alpha Kappa Alpha, has significantly increased its activity on campus in recent years.

Interfraternity Council. The three men's groups–Kappa Alpha, Kappa Sigma, and Sigma Phi Epsilon–are governed by an Interfraternity Council. IFC oversees fraternity activities including the recruitment program educational programs, and all-campus events. IFC also sponsors the Fraternity Award of Excellence program and several Greek issues programs throughout the year. IFC seeks to promote cooperation and understanding among the fraternities and to educate the Greek community on issues facing Greeks nationally.

Publications

Lambuth University has four major publications. **The Vision** is the student newspaper published by a student staff and supervised by the Office of Student Development. **The Lantern** is the University annual managed by the administration and the students. **The Lambuth Magazine**, a University publication, is published three times annually. It presents news of all facets of college life (administrative, alumni, faculty and students) and is mailed to over 7,000 alumni and other friends of the University. **The Coffeehouse Papers** is the university publication for creative works including poetry, short stories, drawings, and other media. It is published once a year by a student staff.

Athletics

All students are encouraged to participate in some form of athletics. The University recognizes the physical, mental, and social benefits learned in athletic competition and offers opportunities toward that end. Intramural sports include basketball, softball, flag-tag football, volleyball, and bowling.

As a member of the National Association of Intercollegiate Athletics, Lambuth's varsity teams compete in cheerleading, men's football, basketball, baseball, tennis, soccer, golf, cross country, and women's volleyball, basketball, tennis, soccer, softball, and cross country. The University is also a member of the Mid-South Conference.

Housing/Residence Life

Campus Housing Requirements. Lambuth University students are required to live in one of five residence halls or apartments on campus and purchase the meal plan from Williamson Dining Hall. Exceptions to this policy must be approved in writing from the Director of Housing and Residence Life or the Dean of Students. Exceptions are limited to students who meet one of the following criteria: a) live in permanent home of parents or adult relatives in the Jackson area; b) part-time student enrolled in less than 12 credit hours; c) married; d) over 24 years of age; e) custody of a child; f) financial hardship as determined by financial aid package; or g) medical disability as documented by treating physician. Students in violation of the residency requirement will be billed for full campus housing charges, including room and board, and are subject to judicial review. Room assignments are made in the Office of Housing/Residence Life.

Policies. All students who live in residence halls must pay a $100.00 deposit which is applied to room charges in the next academic term. All students are charged a

$100.00 key/breakage deposit, which is refundable if a proper checkout is completed, if the keys are returned, there is no damage or cleaning charge, and the student has no outstanding account balance. Students are responsible for abiding by policies set forth by the residence halls. Residence halls are closed during holiday periods observed by the University.

Guests. Same-sex guests who occupy a residence hall guest room will be charged $12.00 plus tax per person per night. A guest may share a student's room at no cost for two nights provided the Resident Director is notified immediately upon arrival in the residence hall. Guests are subject to the approval of the resident's roommate. Minors will not be allowed to stay as guests.

Commuter Students. Lambuth students may reside in Jackson and the immediate vicinity if they meet the requirements of the Off-Campus Housing Policy. (See requirements listed under Campus Housing Requirements.) Permission to reside off-campus must be granted by the Office of Housing and Residence Life. Students requesting to live off-campus must submit an Off-Campus Housing Waiver to the Office of Housing and Residence Life prior to the beginning of each academic year. Commuter students have the option to purchase a declining meal card through the Dining Services Office and may also request a campus mailbox in the Mailroom for a small fee.

Career Development, Counseling, and Health Services

Career Development Center. The Career Development Center (CDC) is located on the lower level of Wilder Student Union across from the mailroom. It features a four-year developmental program for all students freshman through seniors, as well as services to alumni. Students receive assistance with self-assessment, choosing a major, career exploration, internships, part-time jobs and full-time employment. Seminars are offered for resume preparation, job skills training and graduate school preparation. The career fair and the graduate school fair are held annually for our students and alumni. Individual consultation is provided by appointment.

Freshman Faculty-Orientation Leader System. Each freshman is a part of an advising team comprised of a faculty member and an upper class student. These teams work with students in an effort to promote adjustment to University life and assure academic and social success. Upon completion of the freshman year, students are invited to select advisors in the major area of study to assist in academic advising for the remaining years at Lambuth.

Student Counseling Service. Lambuth University provides individual counseling services for all students. Personnel in the Office of Student Development are all able to assist students with their counseling needs. Through the Learning Enrichment Center diagnostic tests may be administered to aid in academic counseling. Tutorial services are available through the Learning Enrichment Center.

Student Health Service. Lambuth encourages each student to safeguard his or her health and promote his or her emotional and physical development. Through its

offerings in Health and Physical Education, its intramural sports program, its recreational facilities, and its care of the student in case of illness, the University extends opportunity toward this end. Services are provided for students with minor ailments. In case of illness requiring the attention of physician, surgeon, or other specialist or the care of a hospital, such service is available at the student's expense. Each student is expected to purchase health and accident insurance unless proof is submitted that the student is covered by a family, group, or other policy for the current college year. International students are required to submit proof of health and accident insurance coverage to the international student advisor each year of enrollment.

Disability Services. The Office of Student Disability Services is directed by Ms. Donna Overstreet and is located on the third floor of Hyde Hall. Students with documented disabilities who seek learning accommodations should contact Ms. Overstreet prior to the beginning of the semester.

Records

A student directory is printed each semester for use by Lambuth faculty, administration, staff, and University-approved campus organizations. Lambuth University considers as directory information each student's name, sex, home address, telephone number, dates of attendance, full or part time status, class, previous institutions attended, major and minor fields of study, awards, honors, degrees sought or awarded, date of graduation, athletic information, participation in officially recognized sports and activities, religious preference, faculty advisor, name of parents, guardians or spouse, date and place of birth, weight and height of athletic team members, photograph, and country and citizenship. Students who prefer that this information about them not be released should notify the Registrar within one week of their official registration.

Transcripts. Academic records are kept in the Office of the Registrar. A student is entitled to one copy of his or her record without charge, and additional copies are $2.00 each. All requests for transcripts must be in writing. No transcript or grades will be issued for any student or former student whose financial accounts are delinquent. Lambuth will accept fax requests for transcripts and will fax transcripts in exceptional circumstances. The charge for this service is $5.00.

Family Educational Rights and Privacy Act

Lambuth University complies with the Family Educational Rights and Privacy Act of 1974. This act insures that students have the right to inspect and challenge the accuracy of their educational records and that these records are private and subject to certain protections. Students are notified annually of these protections and any procedures pertinent to their application through a detailed description in the Student Handbook.

Student Right To Know Act

In compliance with the Student Right To Know Act from the Federal Department of Education, Lambuth University makes available to student and potential students upon request appropriate information for review in the Office of the Registrar located in Varnell~Jones Hall. This information relates to Lambuth's graduation rates and athletically-related student aid as required by the Act.

In compliance with the State of Tennessee and the Student Right To Know Act, Senate Bill Number 1406 entitled "College and University Security Information Act," Lambuth University makes appropriate records available for review in the office of the Director of Public Safety located in the Wilder Student Union.

Solomon Amendment

The Federal Government now requires that certain items of directory information on current students be made available to recruiters for the Armed Services of the United States at their request. Those items are: name, address, year of birth, phone number, class, and major.

Good Standing

In general, a student is entitled to the status "good standing" at Lambuth University if he or she is eligible, both academically and socially, to continue at the University while attending terms and is eligible to return when absent between terms. This status includes terms when a student is placed on academic and/or social probation and does not preclude action that may be taken as a result of those probations.

Military Call To Active Duty

Students called to active duty in the Armed Forces of the United States will be allowed to withdraw from courses in which they are currently enrolled at Lambuth without penalty and receive 100% refund of tuition and fees upon presenting an official copy of their military orders to the Office of the Registrar. This must be done at the time a student must stop attending classes. For boarding students the cost of room and board will be reimbursed *based on a pro-rated basis (weekly)*. Students may, with the permission of the appropriate instructor and the School Head, exercise one of two further options: accept grades that could be earned in one or more courses at the time of their call if sufficient work had been done on a level to warrant a passing grade for the term; or exercise the Lambuth incomplete grade option for one or more courses. The completion limit time is six weeks into the next regular semester. Tuition refund will not be given for those courses in which credit is earned.

The Catalog

This Catalog contains information current at the time of its printing. All such information is under constant evaluation and revision by Lambuth, and therefore, the University reserves the right to change, modify, revoke or add–without prior notice–to any and all of the University regulations, rules, requirements, policies, procedures, courses, admission standards, academic programs and majors, faculty, staff, administration, fees, tuition and charges, as well as to other matters of the university. Consequently, the Lambuth Catalog is not to be regarded in any way as a contractual agreement between the student and the University. Further, the University is not responsible for errors of omission, printing, editing, publishing or distribution of this document. Reasonable efforts will be made to notify affected parties of any changes occurring before the printing of subsequent Lambuth Catalogs or of any errors. Copies of the Lambuth Catalog are available free of charge in the Office of Admissions or the Office of the Registrar.
